TRAINING AND PLACEMENT CENTRE, MAC

CV HELPDESK

As you are aware the CV helpdesk, an integral part of the TPC, is training first year student representatives for CV development who in turn will help fellow students and class mates do the same.

We have received most of the CVs from first year students through their respective CV helpdesk representatives, but are yet to receive them from all first year students.

This is the last and final call for all first year students to submit their CVs to their respective CV helpdesk representatives till 22nd April 2016, failing which the helpdesk may not be in a position to help in the future. Kindly cooperate and adhere to the deadline in order to make the entire process seamless and efficient.
