

1st February, 2016

TRAINING AND PLACEMENT CENTRE, MAC

Digital Web Solutions Pvt Ltd Recruitment Drive

Digital Web Solutions Pvt Ltd has changed the recruitment drive process. Instead of having a pre-placement talk tomorrow they have requested that we send CVs of students to them. They would interview students at their Gurgaon office at a later date. Therefore interested students are requested to mail their CVs to Training And Placement Centre, Mac. Students are requested to keep the following points in mind before mailing their CVs:-

- The subject of your mail should be "cv digital web solutions".
- Students are required to mail a word file and not a pdf file.
- The name of the word file should be in the format:-
"cv_digital_web_solutions_(First name)"

All interested students are requested to mail the word file on placement@mac.du.ac.in latest by 2 pm 4th February 2016. If selected by Digital Web Solutions the student would be called for an interview at the Gurgaon office of Digital Web solutions (i.e. 667, Udyog Vihar, Phase 5, Gurgaon-122001). Our previous notice contains the relevant details and digital web lays emphasis on excellent communication skills.

For queries, mail us at placement@mac.du.ac.in or whatsapp at 9999493137.

Dr. Anshul Taneja
(Nodal Officer)
