

Celebration of World Environment Day

"पेड़ लगाएं पेड़ बचाएं
इसमें ही हम सबकी समझदारी
मानव जीवन है खतरे में
पर्यावरण सुरक्षा की ले जिम्मेदारी।"

Greetings everyone

Every year we celebrate World Environment Day on 5th June with great enthusiasm. It is a celebration of our consciousness about Mother Nature, the one who supports our existence.

This year NCC, NSS Cell and ECA committee of Maharaja Agrasen College all came together to organise ***VRIKSHOTSAV*** to highlight the importance of plants for a healthy and clean environment.

Students, teachers and staff members were requested to plant a sapling or tend to one growing in their vicinity. We to take immense pride in announcing that hundreds of students, teachers and staff members not only from our college but also from various other colleges joined hands to celebrate this day with great pride. We are thankful to Principal, Prof Sanjeev K Tiwari, teachers, staff members and students for their support.

We hope that we will work for making earth a better place to live in for ourselves and for the posterity.

Let's pledge to dedicate every day to the environment, to make the Earth a cleaner and greener place for all species to coexist with harmony.

सांसे हो रही कम,
आओ पेड़ लगाएं हम।

Regards,

NCC, NSS Cell and ECA Committee
