Sh. Rahul Thampy

Chairman, Governing Body

Change is the only thing, that is constant in the world. And those who are able to adapt quickly, are able to succeed and flourish. As the world is struggling with the pandemic, every aspect of human life has changed drastically in the last few months as have educational institutions. We now have to change our conventional style of teaching to online mode, which has its own advantages and disadvantages. I am quite sure that our academicians and students, won't let this come as an impediment in their quest for excellence and knowledge. At the same time, we are also at the forefront in this ongoing war against 'Covid' and working shoulder to shoulder with the Government and leading by personal example.

I am extremely happy with the steady growth that Maharaja Agrasen College has maintained in the last 26 years. Focus is not just on academic excellence but on overall growth and development of the student's personality. Many initiatives have been taken by previous managements like green initiatives, adoption of village, educational trips etc. We look forward to strengthening these activities further along with academic excellence, as the situation normalizes and will plan more courses after consultation with MNCs and the Alumni, so that we can impart skills and talents that is more suited to the current needs of our society.

Rahul Thampy

Dr. Sanjeev Kumar Tiwari

Principal (Offg.)

As a premium institution of higher education, Maharaja Agrasen College has proved its metal and worth in the last twenty-six years. It has significantly improved its standing not only amongst the top academic institutions of the National Capital Region but has also improved its all India ranking from 47th last year to 45th in year 2020 in NIRF ranking. The success story of the College is possible because the academic milieu is supported by strict adherence to discipline, imparting high moral and ethical values, vibrant cultural and co-curricular activities, robust sports facilities and dedication of teaching and administrative staff.

The last academic session has witnessed several landmark developments in the College. Visit of Hon'ble Vice President Sri M. Venkaiah Naidu to the College as Chief Guest in the closing ceremony of Silver Jubilee celebrations is one of them. National conferences, webinars, cultural programs and sports activities are some continuous but important pursuits by the College community. In academics too, the College has produced gold medalists like the preceding years.

The current academic session 2020-21 was delayed by several months due to the unprecedented global pandemic. Though it posed many challenges but also provided several opportunities. The National Education Policy unfolded by the Union government has opened new vistas of opportunities for a NAAC 'A' accredited institution like ours. Research, innovation, accessibility, flexibility are few goals to be achieved through this new policy. The idea of 'the Institution of excellence' could be achieved only through involvement and empowerment of the stakeholders.

Maharaja Agrasen College with ten undergraduate courses, one advance diploma course and seven skill based short term courses with a total intake capacity of around 950 students is committed to achieve excellence and service to the society. The extension and expansion plan is already under active consideration by the Government of NCT of Delhi. The highly qualified 118 teaching and around 60 non-teaching staff are committed to achieve "Action Defines the Person" - the motto of the College.

The able guidance of the Governing Body which is a mix of young, energetic and experienced dignitaries will be pivotal in all round development of the institution. The digital mode of teaching has shown an additional way to serve the society with increased impact and reach.

When the young minds are planning to join this prestigious institution, they should adhere to the rules, norms, discipline and values which are practised in this College. Imparting knowledge is not just our final aim but inculcating values and respect for others is equally imperative. My best wishes to all the students who join Maharaja Agrasen College in 2020. I wish you success in all your future endeavors.

Dr. Sanjeev Kumar Tiwari

COLLEGE PROFILE

“IN THE MIDDLE OF EVERY DIFFICULTY LIES OPPORTUNITY”

The COVID pandemic situation has brought the world to a standstill. It has given rise to a new normal pushing us all to innovate, adapt and move forward. Maharaja Agrasen College, too, has used these difficult circumstances to venture into new paths in order to provide a favourable teaching-learning environment for our students. E-Learning Portal, Faculty Development Programs and Conferences held on Webinar mode are just few of the mechanisms initiated by MAC to adapt to the extraordinary circumstances we are facing today. These steps have, in fact, enhanced the list of achievements which the college has earned over its 26 glorious years, giving the college its nationwide reputation. It is a matter of proud privilege for us that the college has consistently figured in the surveys of the best colleges in the country for the past five years. In the latest survey of India's best colleges conducted by India Today and Nielson Company, Maharaja Agrasen College has secured 28th rank amongst educational institutions nationwide. And in adding yet another feather to its cap, the college has been placed at 32nd position in the National Institutional Ranking Framework conducted by Ministry of Human Resource Development, Government of India in India Ranking 2018. The college has also been accredited grade “A” by NAAC. It has won the first prize in the competitive category of College with Good Practices at ‘Antardhvani 2013’, the Annual Cultural Festival of the University of Delhi.

The college campus has the latest infrastructure in place in terms of both centres and facilities and furnishings. It boasts of invaluable infrastructural assets like state-of-the-art auditorium, conference hall, an ICT Lab, a computerised library, well equipped laboratories, etc. The classrooms are well-lit, ventilated, spacious and fitted with modern desk units with white boards and projectors to expedite the process of education.

Maharaja Agrasen College is a teaching-learning community with a competent and dedicated team of faculty members and administrative staff. Facilities like Information and Technology Centre, Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies help in the holistic development of the students. The Abdul Kalam Centre for research is a recent addition which aims to encourage research accomplishments and enhance job opportunities amongst students and faculty members.

The college is sensitive about its responsibility towards society and has been sincerely making multiple efforts for students coming from the weaker sections of our social structure. Besides these, the college is also a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

The institution believes that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities. And Maharaja Agrasen College is that vibrant place for the students to express, explore themselves and maximize the opportunities of changing times for an empowered and inclusive development. It inculcates the values of hard work and diligence amongst its students and staff, empowering them to turn challenges into opportunities for a brilliant future. The college community aims at nothing less than being the best and shall continue in its spirit to scale greater heights, and in its efforts to provide the best facilities to the students and staff, it aims to actualize their potentialities.

ICT Centre

The Centre caters to the e-curriculum requirements of computer practicals for various courses of study in the college. Alongside, the centre also runs a dedicated general purpose computer lab where faculty, students and staff can utilize computing facilities at their convenience. The general purpose lab provides a heterogeneous environment with Windows 7, Mac OS X and Linux Operating System. The Centre also provides a secure Wi-Fi network to all the students, staff and faculty members of the college.

Media Centre

The college has a fully functional Media Centre with high definition equipment and in-house professional expertise in order to impart pre-production and post-production training to students of Journalism. Besides, it is also used for film screenings, short film making workshops and conducting seminars and conferences on different aspects of media studies and journalism. Live Projects, Industry Interface programmes are the basic characteristics of Media Centre. We organize various events in association with Industry partners under the aegis of the media centre.

Sardar Vallabhbhai Patel Auditorium

The high tech auditorium is housed in a separate complex spread over three floors. It has the capacity to accommodate 700 students. Named after the Iron Man of India, Sardar Vallabhbhai Patel, the auditorium is the hub of all cultural and extra-curricular activities at the college. The auditorium has witnessed several high-profile events such as Swami Vivekanand Memorial Annual Lecture, Sardar Vallabhbhai Patel Memorial Annual Lecture, Dr. APJ Abdul Kalam Popular Science Lecture Series, 'YUVAAN' the annual cultural fest of the college, several SPIC MACAY performances by International artists notably Polish music and dance artists and Italian Band 'Kora Beat' etc. Prominent dignitaries who addressed the students include Hon'ble Governor of Gujarat, Shri O P Kohli, Hon'ble Deputy Chief Minister of the Government of NCT of Delhi, Shri Manish Sisodia, Hon'ble Minister for Culture of the Government of India to name a few. The auditorium also saw performances by legendary musician Pt. Hari Prasad Chaurasia, Kathak exponent Dr Shovana Narayan, Sarangi Artist Ustad Kamal Sabri and a host of popular artists.

Conference Room

The ultra-modern Conference Room of the College has an excellent sound system, overhead projector and other facilities. The conference room has enabled successful hosting of International Conferences, National Conferences and a series of

Students Congresses along with facilitating student presentations. The Conference Room has been the venue for several National Conferences, namely, *Indian Popular Fiction: Redefining the Canon*, *Higher Education Institutes: Knowledge Organisations*, *Reading Migrations: Fractured Histories, Forged Narratives*, *City Lives: Spaces and Narratives*, *Student Driven Research for Inspired Learning in Science and Technology*, *India's Changing Role in the New World Order*, *Corporate Social Responsibility: Sports, Olympism and Global Peace*, *Biodiversity and Climate Change*, *Media Literacy: Progression and Challenges in Developing Countries* and many more.

Vidyottama Girls' Hostel

In any institution, a residential accommodation for students, especially girls, is always an asset. 'Vidyottama' the Girls' Hostel of Maharaja Agrasen College can accommodate around fifty eight (58) students on its three floors and has separate areas for dining and common room on the ground floor. Besides, a pantry has been provided on each floor. The hostel is fitted with several amenities like television, washing machine, water heaters, ironing facilities, electric stove etc. The hostel is Wi-Fi enabled and computers are available for the use of the residents.

Admissions to the hostel take place strictly on the basis of merit. Interested outstation girl students should keep visiting the college website www.mac.du.ac.in for information regarding admission to the hostel and other queries.

Sports Facilities

Maharaja Agrasen College provides diverse sports facilities with coaching and support to its students to participate in competitions as well as to pursue interest in sports. The college provides training in Athletics, Archery, Basketball, Badminton, Chess, Cricket, Cycling, Soccer, Korfball, Softball, Volley Ball and Wushu. The Sports Committee of the college, is in charge of supervising sports activities and organizes various sports and adventure activities regularly for the Students,

Teaching Staff and Non-Teaching Staff. The college also organizes its Annual Sports Festival, 'SPARDHA', wherein inter college sports competitions are held.

With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre) with some of the best exercising machines. The gym is accessible to all students and staff-members in the morning hours with an added advantage to the hostel students, since they can access the gym even during the evening. Students may take out time to make the most of the gym facility and burn extra calories for overall fitness.

National Service Scheme (NSS)

NSS, ever since its inception in the year 2013 has been working towards the holistic development of the students. Keeping in view the motto 'Not Me But You' - an idea which dates back to the times of Mahatma Gandhi who insisted upon social responsibility, the volunteers registered in NSS unit render community service both inside and outside the college premises. This community service enhances leadership, organizational and management skills among the students. MAC-NSS allows the students to gain perspective on understanding the association of an individual to one's community and hence develop competence in sharing of responsibilities among a larger group.

MAC - NSS volunteers generally work in the college in various research projects, on innovative ideas, with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic year.

Few of the ongoing projects are:

Project ABHI (Agrasen Baroji Help Initiative) : Maharaja Agrasen College adopted a village, BAROJI, in Mewat, Haryana, in 2013. Students and faculty visit Baroji several times every year and have worked together with the residents of Baroji closely towards the holistic development of Baroji.

'Tassavvur', the Art and Photography Club as the name suggests encourages interest in all aspects of arts and photography for the benefit of the learning community of University of Delhi and the community at large.

Equal Opportunity Cell: This platform of MAC-NSS supports differently-abled, SC/ST members and students from economically weaker sections of its learning community.

Pedal Power Club seeks to maintain physical fitness, explore the great heritage sites of New Delhi and NCR and become more sustainable by decreasing one's environmental impact.

Agrani mobilizes young learners and encourages them to advance gender equality and women development.

Linked Learning : a program of learning is socially connected, and encourages interest driven ideas to ensure interdisciplinary research opportunities.

Project AKSHAR, is all about imparting education. MAC-NSS Coordinator and student volunteers in this project deliver quality education to the underprivileged children in the vicinity. Approximately 60 to 90 students from nearby colonies like Dallupura and Kondli are enrolled in this project. Classes are held in the college premises from 3:30 pm to 4:30 pm. A very well designed structure along with all the necessary teaching aids and a highly interactive pedagogical technique is used by Team AKSHAR. Parent teacher interactions and tests guide to evaluate their growth. The results have been highly encouraging.

Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well furnished with comfortable chairs and tables for students and teachers. It houses more than 41750 books and 47000 National and International e-journals and other important e-resources related to Science and Technology, Social Science, Arts and Humanities. The library is fully managed by ALICE FOR WINDOW (library automation software). The library is subscribed with N-LIST (National Library and Information Services Infrastructure for Scholarly Content) which enables the users to access more than 5000 e-journals and e-books through a login username and password.

Students' Union

The Students' Union is the apex academic student representative body of the college formed to work for the welfare of students by coordinating at the University level to actively organize academic and co-curricular events. The Students' Union of Maharaja Agrasen College is a democratically elected body. Academic merit, good attendance, sincerity, and leadership qualities present in students are the criteria to be elected for student union.

The Students' Union along with the faculty and students Advisory committee works toward the improvement of college infrastructure and facilities in order to enable a better academic environment for improved performance. Student Union brings to the fore the qualities of working in a team, dramatizing innovative ideas and translating it into a vision.

Extra Curricular Activities

Extra Curricular Activities form a vital part in the holistic development of the young minds. At Maharaja Agrasen College, various cultural activities are conducted under the ambit of the ECA Committee, a body of faculty members. The students organise and participate in various activities either through the Cultural Council, a group of students inducted by the ECA Committee, or through the cultural societies. The cultural societies at Maharaja Agrasen College are:

- 'Nataraj' – The Dance Society
- 'Septune' – The Music Society
- 'Srijan' – The Arts and Craft Society
- 'Chakra View' – The Debating Society
- 'Abhinay' – The Street Play Society

Apart from above mentioned opportunities, students may also apply for scholarships like Sitaram Jindal Foundation, Shri Uggersain Memorial Endowment Scholarship, Central Sector for scheme of scholarship for collage and universities, Vice-Chancellors Gold Medal for physically challenged students (DU) Entrance based, All India Entrance Scholarship Exams (DU) Entrance Based, Rector's Prize Exam 2016 DU) Entrance based & Dr. VK Rao Endowment Book Grant.

Students are advised to visit the college website and University of Delhi website for further details.

UGC/SC/ST/OBC Cell

The SC/ST/OBC Cell has been established as per the UGC guidelines to take care of the needs of students who have taken admission under these categories. Liaison Officers and the committee members attend to queries of these students. In the same process, the Cell organizes various workshops and lectures for the students to inform them about scholarships and funding provided by government and various other organizations within these categories. Motivational lectures by Resource persons on various occasions cater to increase motivation of the students, so that they are prepared to face future challenges. The Cell also time to time looks into the needs and grievances of these students. One of the dealing staff is also available in the administrative block to cater to various queries of these students.

NCWEB

The Non-Collegiate Women's Education Board (NCWEB) Teaching Centre at Maharaja Agrasen College taps the potential of its students and provides them with opportunities to build their career and contribute in the process of nation-building. It aims to provide quality education to girls students of surrounding areas.

IGNOU

Maharaja Agrasen College is the study centre for Post-Graduate and Under-Graduate Courses offered by IGNOU. Classes are conducted during weekends for Bachelor of Computer Applications (BCA), Bachelor of Commerce (BDP), Bachelor of Science (B.Sc.), Master of Commerce (M.Com), Management Program (MBA), Master of Arts in Hindi (MHD), Master of Arts in Political Science (MPS), Master of Arts in History (MAH), Master of Arts in English (MEG), Master of Science in Mathematics with Application in Computer Science (MSCMACS), Master in Public Administration (MPA), Post Graduate Diploma in Journalism and Mass Communication (PGJMC), Diploma in Teaching German (DTG), Certificate in Languages and others.

Centre for Performing Arts and Cultural Studies

The Centre for Performing Arts and Cultural Studies (CPACS) run by the Department of English, Maharaja Agrasen College seeks to promote performing arts and performance and cultural studies through its focus on image, direction, film, censorship, script, multimedia, narrative, play, intelligence, creativity and other related areas. Shabad Sambhale Boliye, an anti-ragging short film of CPACS directed by the Centre co-ordinator and Activity Director Vinod Verma was screened and discussed for the freshers (2018-19) in the college auditorium for spreading anti-ragging awareness among the students. The movie was also screened in an international conference in IU Germany Gateway. In 2017-18 The Centre had organized a two months long activity of scripting, shooting, editing and distribution of this short anti-ragging feature film to create awareness against verbal abuse and micro-aggression on the campuses of higher education in India. In 2018-19 Bharatmuni's Natyashashtra was the focal point as students and faculty engaged with it proactively. The Centre has also established a cell called LETTER (Learn through Theatre) which held 32 sessions with 40 students of first year on personality development through theatre exercises leading to their review of physical and cognitive development.

Sanskriti Kala Kendra

The Hindi Department has started with a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them academic knowledge, the centre focuses to inculcate cultural and moral values among the students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Twenty one students accompanied by faculty members visited Maharaja Agrasen College on 22nd February 2016 and later visited Agra and Amritsar. The students and faculty were from the Department of South Asian Studies and Social Education Centre for World Languages, Tokyo University. The Japanese students and faculty appreciated the diversity of Indian Culture and Languages and expressed keen interest in the different subjects of study in the University of Delhi.

Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. The project is funded by the Government of NCT of Delhi and translates student and teacher materials in Hindi. It initiates and sustains the “Leadership Development Camp” and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing 'Monitoring and Evaluation' Mechanisms, publishing research related materials, developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India.

Training and Placement Cell

The Training and Placement Cell at Maharaja Agrasen College is dedicated towards giving its students opportunities to build their career before they have crossed the threshold of the college. The Placement Cell coordinates with the Central Placement Cell of the University of Delhi and conducts placement drives wherein different established companies like Tata Power Delhi Distribution, SP Capital IQ, Accenture, Anhad Edutrain Solutions Pvt Ltd, Urban Clap-Talocity, Digital Web Solutions Pvt Ltd etc., take part for student recruitments. The cell has tied up with Times of India, Indian Railways, Leo Burnett, Macmillan and other such institutions to provide internship opportunities for the students. The cell also organizes workshops and training programmes in order to help students develop their personalities and learn better skills to ensure employability in the competitive job market. It is the mission of the T&P cell to strive to bring in more and more recruiters in order to facilitate maximum placements from the college and establish a benchmark in this righteous pursuit.

College Publications

The academic community of the college is alive to the need of bringing out in-house publications. The college publishes a research journal, ‘The Indian Journal of Social Enquiry’ which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal ‘BEAM’ which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly published its newsletter ‘MAC VOICE’. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to its circulation. ‘AGRANIK’, the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

Environmental Clubs

MAC INSERCH (Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility and Conserving Heritage) is an initiative by the students, teachers and administrative staff of the College who are committed to the cause of environmental and heritage conservation and development. It is led by a strong team of over 25 teaching and administrative staff and 50 student volunteers who work round the year for the realization of the stated objectives of the club.

This initiative was started in 2011 and in a span of seven years, it has made a significant difference in the environmental life of the college by way of planting trees, organizing poster making and best out of the waste competitions, Soup and Salad Party in order to promote an interest in organic food culture, six National Conferences on Biodiversity and Climate Change, conducting Tree Audit for the College, various energy conservation measures and visit to various places of historic interest and ecological importance.

Students can join this movement and contribute a lot by becoming volunteers who would be suitably rewarded at the end of the academic session with commendation certificates and prizes. A Green Gown Award for the best student volunteer is also being instituted from the current academic session.

Trishul Adventure Club

Trishul Adventure Club of Maharaja Agrasen College is named after a group of three Himalayan Mountain Peaks which resemble a Trishul. Challenging experiences help the students promote the development of inner balance, essential for effective communication skills, problem solving and decision making skills. The students also learn to keep the mountains clean by not littering anything on their way. Participant's horizons are broadened, new challenges come to be relished rather than shunned, perseverance and determination reinforced. Values and attitudes developed in context of shared endeavor help to form a sound basis for responsible citizen. Trust, care, tolerance, and willingness to give and support are all encouraged and anti-social behavior is challenged. Opportunities are presented to exhibit and develop effective inter-personal behavior and to work co-operatively and effectively in teams. The experiences in the mountains far from busy city life help the students to understand more deeply about the importance of clean and healthy environment. Trishul Adventure Club undertook a path breaking Kuari Pass Trek in April 2017 with a team of twenty five students which laid a strong foundation for more adventure activities in the College. The club organizes a trek from time to time to imprint such good experiences in their life.

Abdul Kalam Centre

Abdul Kalam Centre is the latest addition in the initiatives taken up by the college. The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine nascent ideas and may provide financial support to selected ventures. The college in the earlier academic sessions has successfully completed 10 innovation projects and 7 Star Innovation Projects.

Short-Term Courses

The main objective to start short-term courses in the college was to augment the undergraduate course curriculum, to empower student to meet challenges after graduating from college and to enhance the soft skills of the students.

The following Short-term Courses are being run by the centre:

- Introduction to Data Science for Business using R Programming Language
- Data Analysis for Business Decision Making
- Sugam Sangeet
- Mobile App Designing: Level 1
- English Skills for Professional Success: Level 1
- Legal Awareness (Conducted by: East Delhi Legal Services Authority)

MAC e-Learning Portal

College e-Learning Portal was installed and configured as per our college requirements using Moodle platform. All the 3 year degree courses and short-term courses were created on the portal.

Embedded Systems and Robotics Centre

The Embedded Systems and Robotics Centre, MAC has been set up with an aim to provide a platform for training students both in theory and applications of robotics through exciting hands-on application of Maths, Computer Science, and Engineering principles. The ESRC has been established with a mission to enable effective Embedded systems and Robotics education to students by providing training for students; engaging teachers and students in hands-on experiments with robots.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. Internal Quality Assurance Cell (IQAC), Maharaja Agrasen College was formed with the aim to develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the College. The mandate of MAC IQAC is to develop an all-inclusive quality culture in the college by channeling and synergizing the efforts of all constituent stake holders of the college and work towards academic excellence and progress. The MAC-IQAC 2018-19 comprising of Principal as Chairperson and Dr Maneesha as the Coordinator along with teachers-in-charge and administrative officials work in tandem towards internalization and institutionalization of quality enhancement initiatives. These initiatives help to improve the academic and administrative performance of the institution and to promote measures for institutional functioning through internalization of quality culture and institutionalization of best practices.

North East Centre

The Silver Jubilee Centre for North East India is another feather in the cap of Maharaja Agrasen College in its 25 Years of Excellence in Higher Education. It is the first such initiative in the University of Delhi. It aims to provide a wider platform to the students to display the essence of their region culturally, academically and through other modes and thereby, continue with its endeavour to sensitise the people of the Indian mainland about the oblivious North East. The Centre had successfully organised its first National Seminar on "Migration of the Youth from the North East to Urban Metros" in August 2019.

MAC-EBSB Club

As per the guidelines of Government of India under the initiative of Ek Bharat Shreshtha Bharat, Maharaja Agrasen College launched the MAC-EBSB club in 2019-20. The club has more than twenty students from various departments organising events under the guidance of the teachers. Ek Bharat Shreshtha Bharat is a humble initiative to cherish and celebrate the rich cultural heritage of our country India, to be able to preserve and propagate its history, traditions and values. In 2019-20 MAC-EBSB club had embodied the duty by representing the allocated state - Sikkim (as per the implementation strategy of the engagement matrix 2020) as a part of this social engagement program in coherent ways.

Admission Procedure

Step I: Registration on the UG portal

- All candidates seeking admission to the Undergraduate (UG) courses are required to register online on University of Delhi UG Admission Portal <https://ug.du.ac.in>.
- Applicants will need scanned copies of the following documents/certificates on the basis of which they wish to claim admission.
 - Class X certificate
 - Class XII certificate
 - Relevant reservation certificate issued by competent authority
 - Self-attested copies of requisite certificates for admission under sports/ ECA category
 - Link of the uploaded clip for admission against music
 - Photo identity card (Aadhar Card, Driving License, PAN Card, Voter Identity Card, Passport or School Identity Card)

Step II: Payment of the registration fees

- The application form will be deemed submitted only when the applicant has paid the relevant registration fee. This fee must be paid only through the link provided through the applicant's Dashboard.

Step III: Reopening of the portal

- The application will be allowed to update the marks and make minor corrections in the form during this window provided to them. This will only be a one time process.

Step IV: Declaration of Cut-off

- The University shall declare a minimum of five Cut-Offs. In case, there are still some vacant seats left, further Cut-Offs may be announced by the University. If needed, the University may also conduct special drive in order to fill vacant seats against reserved category. In case of vacant seats left after the first five Cut-Offs, there will be a special Cut-Off only for those candidates who could not/ did not take admission in the initial five Cut-Offs for whatsoever reasons.

Step V: Selection of Course and College

- Upon declaration of the n-th Cut-Off list, applicants must log in to their Dashboards on the UG admission portal to choose the course and college they wish to claim admission in from the list of colleges and courses they are eligible for. At a time, during a cut-off list, the applicant is allowed to choose only one course and one college.
 - i. Please note selection of applicant's college and course can be made only online through their own Dashboard on the UG admissions portal. There will be no physical visit to the colleges at this point in the process.
 - ii. The procedure for choosing the course and the college by the applicant must be completed within the stipulated time interval.
 - iii. Within a cut-off the applicant will not be allowed to change his/ her choice of course and college.

Step VI: Online verification of documents by respective colleges

- The College shall verify the documents uploaded by the applicant for eligibility and meeting the required Cut-Off. Those approved are required to pay the fee and receive a confirmation of their admission.

Step VII: Payment of fees to confirm admission

- Once the Principal of the College has approved their admission, the applicant will receive a link on their Dashboard on the UG Admissions portal through which they must submit the college/course fees due. This fee can only be paid online through the portal.
 - i. The applicant is advised to pay the fee without delay within 24 hours of the approval of admission by the Principal of the College, and save the acknowledgement slip. On successful payment of fees, the applicant is granted provisional admission to the said college.
 - ii. It is extremely important that applicants pay the fee within the timeframe allocated, failing which it will be concluded that the applicant is not interested in the course of study at that college, and the admission will be automatically cancelled.
 - iii. Once the applicant has gained admission, they will have to sign an online declaration stating, "All the information provided by me are correct. In case any information provided by me is found to be false and/ or is not supported by the documents presented by me, I understand that the admission will be immediately cancelled and no fees will be refunded. I shall abide by all the rules and regulations laid down by the University and the College."

Step VIII: Physical verification of the original documents

- The uploaded documents will be verified by the respective colleges within the stipulated time period (Dates for the same shall be announced by University / College later). If at this stage it is found that the information given by the applicant is false and/ or is not supported by the documents presented, the admission will be immediately cancelled. No fees will be refunded in such cases.

Process for change of Course/College in subsequent Cut-Offs

- If, in subsequent lists, the applicant finds themselves eligible for admission to any other colleges/courses, they should ensure their eligibility by carefully examining the eligibility requirements of the Course/College/ Department.
 - i. Applicants are advised to exercise extreme care to ensure that they meet the requirements for the Course/College. Once they are certain they wish to cancel admission in the course/college they initially had gained admission to in the previous list, the applicant must log in to the UG Admissions portal to cancel their admission through their Dashboard.
 - ii. A cancellation fee will be levied, and they may now choose a new combination of course and college, subject to eligibility and meeting course-specific requirements. Once again, the applicant must complete steps V-VIII.

- iii. Only one cancellation is allowed per Cut-off list. Within a cut off the applicant will not be allowed to change his/ her choice of course and college. The total number of cancellations will be restricted to (n-1) where “n” is the total number of Cut-off Lists.
- iv. Once an applicant has cancelled his/ her admission, he/ she cannot be re-admitted to that course/college automatically, and must undergo the admission process anew, subject to availability of seats and the applicant meeting course-specific eligibility requirements.

In case of any change in the admission process for Merit based UG admission, it will be notified on the website of the University of Delhi. All aspirants must register online as per the procedure and schedule that will be notified on the University of Delhi website (www.du.ac.in).

B. A. (Hons.) Business Economics

In the era of globalisation success in business requires dynamic learning as fast as the world is changing.

The underlying philosophy of the B.A. (Honours) Business Economics course is to develop theoretical and analytical skills of the students so that they are able to analyse and interpret data for effective decision making in the corporate world or be able to pursue higher studies at the Master's level in Business Economics, Economics or Management. In the rapidly changing globalised market scenario, the need is to equip students with skills and capabilities to handle consumer, economic, financial and big data using modelling and other techniques to understand the dynamics of economics and the business world. In order to achieve the above-mentioned objectives, a comprehensive syllabus comprising topics relating to economics, quantitative techniques, business and management are included in the three-year, six-semester module of the Bachelor's in Business Economics Course. The syllabus aims at giving wider coverage to its course contents, effective organisation of topics to enable easier assimilation of the same by the students, and a professional touch to the course.

The course exposes students to the areas of finance, marketing, econometrics and start-up skills within which businesses operate. Six discipline elective groups in finance, economics, quantitative techniques, marketing, new ventures and applied economics provide the students a wide array of areas in which to specialize.

The Department of Business Economics aims at inculcating the spirit of managerial decision making, resource management in general and developing business capabilities in particular. To achieve this, the department adopts a variety of approaches for its teaching-learning process apart from lectures, tutorials, project work and presentations. The department organises industrial seminars and workshops. It encourages students to take up internship in industry and research establishments etc. with the aim of developing their problem-solving, communication and higher-order skills of reasoning and analysis.

The activity calendar of the department in the past years has included an orientation program for the freshers, corporate interactions, workshops on motivation and for developing leadership attributes and soft skills. The department organises an 'Industrial colloquium' to impart skills of situation based decision making, trading and optimal utilization of a given budget.

The Magazine & Newsletter Committee of the department releases an e-newsletter every month. The committee has so far taken out seven successful editions of the newsletter called the BEA-Beats. The content of the newsletter includes trending news of the month, review of the events taking place in the department, creative section, alumni connect, etc.

The alumni connect section contains an interview of alumni of the BBE department which provides insights to the students regarding further education and career options available to them.

The most looked forward event however is the annual event 'ENTREUZEST'. It is a management colloquium of various events ranging from budget optimization, panel discussion to fun events. It is a blend of events like 'CHEF-O-NOMICS'; a management decision making and budget optimization task followed by business, marketing, stock market simulation model, entrepreneurship, panel discussion related events.

B.A. (Hons.) English

The beauty
of literature
is that "you
discover
your
longings
are universal
longings,
that you're
not lonely
and isolated
from
anyone.
You belong."

- F. Scott Fitzgerald

The B.A. Honours course in English at Maharaja Agrasen College was introduced in 1997. This is a highly sought-after course and justly so. With an entire panorama of literary texts, contexts and critical tools, it aims to provide students an exposure to a spectrum of global literatures and train them in various methods of literary and socio- cultural analyses. The department has consistently provided opportunities to students for interacting with some of the best minds in the discipline as well as in allied fields. It has systems in place to ensure delivery of quality teaching, transparent mechanisms for internal assessment and structured preparation for University examination as well as orientation for future preparation for diverse fields and professions. Furthermore, it has a full calendar of activities aimed towards making students connect not just with the literary world but also with the larger world beyond their classroom ambit. The Department has its own departmental library, a growing digital archive, as well as a rich reserve of resource in its Centre for Performing Arts and Cultural Studies (CPACS). The Department of English Co-curricular Student Society, 'ACTIVE', lives up to its name each year by organizing, under the guidance of the teachers, many well attended events.

The co-curricular events include the Annual Lecture Series, Literature Festival 'LITERATI', Meet the Author Series, various workshops and an excursion to places of cultural interest. Meet the Alumni series is a recent inclusion in this elaborate list of activities. The department also organizes National and International conferences on a regular basis. The students are active participants in all these events.

The Department, thus is a stimulating, vibrant space, providing ample opportunities for students to explore their potentials and the possibilities made available to them in the intellectual, academic, creative, as well as social arenas.

बी. ए. (प्रतिष्ठा) हिंदी

“न सोऽस्ति प्रत्ययो लोके यः शब्दानुगमदृते। अनुविद्धमिव ज्ञानं सर्वं शब्देन भासते॥”

- भर्तृहरि

भाषा और साहित्य के अध्ययन से शब्द शक्ति समृद्ध होती है। जैसा कि भर्तृहरि ने कहा भी है—

‘संसार का समस्त ज्ञान शब्द—मूलक है। समस्त विधाएं, समस्त कलाएं तथा समस्त शिल्पशास्त्र शब्द शक्ति से संबंधित है।’

भाषा मनुष्य के व्यक्तित्व का अंग है। इसके अभाव में अभिव्यक्ति और संप्रेषण संभव नहीं हो पाता। हिंदी अपने देश की समृद्ध साहित्य परंपरा की आधारशिला के साथ-साथ विविध भाषाओं के बीच एक पुल भी है। भाषा और साहित्य के इस बहुआयामी पक्ष को हिंदी विभाग अपने विद्यार्थियों के साथ न केवल साझा करता है बल्कि इस संबंध को सुदृढ़ करने के लिए साहित्यिक एवं सांस्कृतिक कार्यक्रमों के माध्यम से इसे जीवंत भी बनाने की कोशिश करता है। इस तरह विद्यार्थियों में सहभागिता के साथ-साथ विषय के प्रति एक समझ भी विकसित होती है।

हिन्दी विभाग अपने सत्रीय पाठ्यक्रमों के अध्ययन-अध्यापन के साथ-साथ सांस्कृतिक एवं सामाजिक क्रियाकलापों में सक्रिय रहता है। बी.ए (ऑनर्स) हिन्दी के विद्यार्थियों ने अकादमिक तथा व्यवसायिक क्षेत्रों में उच्च सफलता प्राप्त की है। हिन्दी विभाग का लक्ष्य है कि अपने विद्यार्थियों को ज्ञान के चरमोत्कर्ष के रहस्य की व्याख्या करते हुए अपनी संस्कृति एवं सभ्यता, व्यवहार, रोजगार, बाजार की उपलब्धियों के नए आयामों से परिचय कर आगे बढ़ना। ज्ञान के बदलते परिदृश्य में कॉलेजों में दिल्ली विश्वविद्यालय द्वारा चयन आधारित शिक्षा पद्धति लागू की गई है जो मूल्यों एवं अन्तः प्रेरणा पर आधारित है, जो महात्मा गांधी, स्वामी विवेकानंद और डॉ. अम्बेडकर के सिद्धांतों एवं विचारों से प्रेरित है। यह विद्यार्थियों के चरित्र निर्माण में सहायक होगी, जिसके अध्ययन से विद्यार्थी राष्ट्र निर्माण की प्रक्रिया में आने वाली चुनौतियों का सामना करने में सक्षम होंगे।

हिन्दी (ऑनर्स) आज समय की मांग के अनुसार समसामयिक प्रासंगिकताओं की कसौटी पर भी सही ठहरता है। इस पाठ्यक्रम के अंतर्गत पढ़ाए जाने वाले विभिन्न विषय विशेषज्ञता व कार्यकुशलता के साथ अनुसंधान एवं तकनीकी और समसामयिक आवश्यकताओं के अनुरूप शिक्षा प्रक्रिया को आगे बढ़ाने में सहायक होंगे। हिन्दी भाषा और साहित्य का अध्ययन न केवल लोकसेवा, राज्यसेवा एवं कर्मचारी चयन आयोग जैसी प्रतिष्ठित प्रतियोगिता में सफलता

का मार्ग प्रशस्त करता है अपितु भारत सरकार के सभी उपक्रमों में हिन्दी अधिकारी, राजभाषा, हिन्दी सहायक, भाषा अनुवादक तथा द्विभाषिया आदि पदों के लिए जीविकोपार्जन के विभिन्न अवसर उपलब्ध कराता है। शिक्षा के प्राथमिक, माध्यमिक एवं उच्च स्तर के अध्ययनों के अतिरिक्त बदलते वैश्विक परिवेश से उत्पन्न चुनौतियों का सामना करने के लिए रेडियो जॉकी, रिपोर्टर, सम्पादक एवं जनसम्पर्क अधिकारी आदि का अवसर भी प्रदान करता है। हिन्दी निरन्तर विकासवान प्रक्रिया में अपनी सरहद को पार करती हुई वैश्विक मंच पर अपनी सशक्त उपस्थिति दर्ज करा रही है जिसके चलते विश्व के सैकड़ों विश्वविद्यालयों में आज हिन्दी का अध्ययन-अध्यापन हो रहा है।

विभागीय गतिविधियों के क्रम में, प्रथम सत्र के आरंभ में हिंदी विभाग के विद्यार्थियों में से नवचेतना परिषद के सदस्यों को निर्वाचित किया जाता है, जो वर्षभर आयोजित होने वाले विभिन्न विभागीय समारोह, विभाग की शैक्षणिक एवं प्रतियोगितापरक गतिविधियों को सुचारु रूप से संपन्न कराने में अपनी महत्वपूर्ण भूमिका अदा करते हैं। हर वर्ष 14 सितंबर को 'हिंदी दिवस' के उपलक्ष्य में काव्य पाठ, प्रश्नोत्तरी, रचनात्मक लेखन जैसे विषयों पर प्रतियोगिताओं का आयोजन किया जाता है। समय समय पर आयोजित होने वाले कार्यशाला, संगोष्ठी, सत्रीय व्याख्यान से भी विद्यार्थी लाभान्वित होते हैं। संस्कृति कला केंद्र, हिंदी विभाग के द्वारा भी निबंध लेखन प्रतियोगिता, लोक-नृत्य, लोक गीत गायन जैसे कार्यक्रम आयोजित किए जाते हैं। दूसरे सत्र के आरंभ में 'वसंतोत्सव समारोह' में सरस्वती पूजन का आयोजन किया जाता है। हिंदी विभाग 'शिक्षक-विद्यार्थी संवाद' के द्वारा अपने विद्यार्थियों से जुड़ी समस्याओं को साझे संवाद, सुझाव और प्रयासों से निदान करने का समुचित उपाय करता है। अध्ययन-अध्यापन के मध्य इस तरह की सांस्कृतिक-साहित्यिक गतिविधियाँ निश्चय ही विद्यार्थियों के मानस का विस्तार करती हैं और उन्हें सिद्धांत एवं व्यवहार के बीच कड़ी को मजबूत करने के लिए प्रेरित करती हैं।

B. A. (Hons.) Journalism

If you really want to do something constructive and responsible for society, Journalism as a profession could be just the right thing for you. Come forward to utilize your creativity.

The B.A (H) Journalism course aims at foregrounding the role of journalism in a democracy. It helps the students to refine their linguistic and communicative skills. It provides an insight into the socio-economic and political dimensions of living in a globalized world today. History of journalism and printing, social psyche and mass culture, news making, advertising and public relations are all covered for a solid foundation. In a nutshell, the course exposes the students to the core skills, challenges and rewards, integral to the profession.

To provide first-hand experience of the real professional and social life, the department organizes Community Development Programmes on various occasions. Our students visit rural communities and try to understand their problems, opinions and the requisite needs of the societies. Department organizes talks, lectures and symposiums on various issues, which exposes students to the words of eminent achievers in the media industry. Apart from inviting media professional to the college, the students of the college are taken to various media houses to help them in becoming acquainted with the industry, its functioning and requirements.

The Department organizes Annual Journalism Festival 'Yatharth' every year where students showcase their talent of various media streams. The Department regularly publishes its newsletter, 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to circulation.

The department has a state-of-the-art Media Lab for providing practical exposure to the students to make their career in Modern Media Industry with the help of latest technological equipments in all media streams. We have a Studio Floor, post-Production Lab, Audio Studio and Professional Lighting Equipments for practical exposure in the area of production. Post-Production Studio is equipped with latest Video-Editing Software i.e. FCP. The hi-tech Auditorium of the college is helpful to the students of Journalism. They can preview their audio-visual projects (documentaries, short films etc.) in the auditorium which has a capacity to accommodate 700 students at a time.

B.A. (Hons.) Political Science

Politics being an integral part of our lives, we offer a course through which we try to widen the student's horizon in political, social, economics, national as well as international issues.

The Political Science department was established in the year 1994. The department offers B.A. (Hons.) in Political Science to students. The curriculum for Political Science (Hons) is available on the DU website. The department also offers interdisciplinary courses in other departments like B.A. Prog., B.A. (Hons.) Journalism and B.Com (Hons.). The curriculum for Political Science papers in B.A. Prog. is also available on the DU website.

Other departments that offer papers for Political Science students are English, Hindi, Economics and History. There are a total number of twelve faculty members currently employed with the department. The faculty has varied interests across the discipline ranging from Political Theory, Nationalism, Foreign Policy, African Politics, South Asian Politics, Human Rights, Public Administration, Indian Diaspora etc. Many faculty members are involved in Innovation Projects of Delhi University on topics like Strategic Management of Higher Education Institutions: A Case Study of University of Delhi, Workspace Optimization for Communication and Innovation and Delhi, a city of migrants. A Study of the Socio-Economic and the Political Conditions of the Migrants.

'Chanakya' is the Political Science student society of Maharaja Agrasen College that aims at providing services that enable students to develop their full potential and to reach their educational goals. Chanakya society organizes its Annual Fest in the month of September each year where various competitions like Slam Poetry, Political Quiz, Just a Minute, Political Caricature, Funk from Junk which was to encourage students to Make Best out of the Waste, Ek din ka Mantri where participants were given the role of a minister and Drollery-stand-up comedy, poster making, extempore, Multilevel debates, essay writing, mock elections etc. are held to provide a learning atmosphere to the students of the department. All these events helped in overall personality development of the students.

'Vimarsh, the debating society of the Department of Political Science has been active throughout the year in the field of initiating healthy group discussion on various topics of importance. Students have been holding round table sessions on relevant topics like

electoral reforms, freedom of speech and expression, mob-lynching, Sabrimala issue, sports culture in India: challenges and performance, section 377, right to privacy, Me Too movement, Citizenship Bill, Phulwama attacks etc. Vimarsh also holds monthly sessions twice every week. This encourages students from different departments to participate in the group discussion as well.

The department organizes conferences, talks and lectures by eminent persons to provide all-round exposure to the department students as well as faculty. These events are a platform where students are actively encouraged to participate and enhance their experience and knowledge. Accordingly, the study of Political Science enables the students to have good knowledge about progressive ideas and revolutionary changes. This makes it easy to take collective decisions in social, economic and political fields. With this purpose a degree in political science prepares our students for many forms of employment as well as further research study. Students gain many analytical and practical skills including the ability to conduct research, oral and written communication and IT, all of which are invaluable in today's employment market which ultimately help them to become IAS, Policy Analyst, Legislative Assistant, Public Relations Specialist, Social Media Manager, Marketing Research Analyst, Political Consultant, Attorney and to work with NGOs.

B. A. Programme

BA. Prog. under CBCS is an interdisciplinary and multifaceted programme, it lays the foundation of success for students by equipping them with knowledge and skills of different types.

B.A Programme is a flexible, inter disciplinary and choice based programme to suit the needs and interest of the students. The course aims at imparting the intellectual and communication skills necessary for a successful career in the professional world. The B.A. Programme committee at Maharaja Agrasen College is motivated towards providing opportunities for holistic development of students with academics at the centre. Students of this course can choose to study from a multitude of subjects ranging from Economics, Political Science, History, Mathematics, OMSP, Computers, Hindi, English, Sanskrit etc. The course is suitable for students of various backgrounds. The course curriculum is designed to equip students with skills necessary for employment in the public as well as private sector. The course curriculum is also very helpful for students preparing for competitive examinations.

This course is taught by teachers of various backgrounds (eg. Economics, Political Science, History, Hindi, English, Math, Computer Science, Sanskrit etc.), This gives an opportunity to students to interact with faculty of different backgrounds. This is also an opportunity for students to acquaint themselves with wide range of issues and subjects to enrich their knowledge. No other course can offer such kind of opportunities to students.

LAKSHYA, the society of B.A. Programme students is a very vibrant and active society of the college. It is a platform for B.A. programme students to share and show their ideas and talent in various spheres of life. LAKSHYA, the society under the aegis of B.A. Programme committee holds many activities round the year. It organises debates, quiz competitions, documentary presentations etc. Besides this, students also have the opportunities to go for educational tours and excursions. B.A. Programme is a very successful course. Students of this programme are very active at college and university level.

B.Com (Hons.)

To look is one thing. To see what you look at is another.

To understand what you see is a third.

To learn from what you understand is still something else. But to act on what you learn is all that really matters.

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace.

The Commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like business laws, cyber laws, business economics, and e-filing of returns.

Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in entrepreneurship, marketing, green marketing, e-commerce, advertising, insurance, media, school and university teaching, business research, consultancy, law, civil services etc.

The Commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two day annual festival "CRUSADE" for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide.

B. Sc. Mathematical Sciences

Mathematics is an exciting field and the department welcomes all who wish to take on a Journey through numbers to pursue challenging and rewarding careers.

The Department of Mathematics seeks to intensify the student's knowledge of mathematical, quantitative, and scientific principles that can apply to various fields of applications and enable them to have an analytical decision making. The Department at present is offering a course in B. Sc. Programme in Mathematical Sciences which is a perfect blending of Mathematics, Statistics, Operational Research, and Computer Science. The main motto of the course is to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical, and analytical thinking. This well-structured programme enhances student's employability skills and also their ability to articulate these skills. Today, careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. The study of this course shall be of immense help for students planning a career in Management Science, Computer Science, Operational Research, Mathematics, and several others. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences. We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market.

B.Sc. (Hons.) Electronics

Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics.

The Department of Electronic Science, Maharaja Agrasen College, a distinguished leader in technical education, offers the undergraduate program, B.Sc.(H) Electronics, where the teaching of applied, hands-on electronics is of the utmost importance. This course is designed to enhance the students' understanding of scientific principles and to further develop their technical skills by hands-on designing and testing of electronic circuits and systems similar to that are used in industry.

The course curriculum is a perfect blend of papers in physics, mathematics, and computer with special emphasis on electronics. Basic concepts of computer modeling and simulation of electronic circuits are an integral part of curriculum. Students are also trained in fundamental computational skills to use techniques and software for simulation, data analysis and visualization more efficiently. Overall, this course is an integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal & systems, communication, optoelectronics, microprocessor, microcontroller, robotics, embedded systems, VLSI design, etc.

This well-structured program enhances student's employability skills and also their ability to articulate these skills. Electronics graduates and post graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Students possessing a scientific temperament, strong back-ground in physics and mathematics; having high acceptance of new technologies and good reasoning abilities are most likely to excel in this field.

B.Sc. Physical Sciences

B.Sc Physical Science is a versatile course. It is both fascinating and provides wider scope for analytical thinking, creativity, fundamental research and of course employment.

The course B.Sc. in Physical Science is much sought after on account of its unique curriculum design and job-prospects. The course is designed to suit to the requirements of students willing to pursue master's course in Physics, Mathematics, Computer Applications, Information Technology, Chemistry and other allied subjects. Students are given the option to choose a stream either from Computer Science or Chemistry. The curriculum has also two major components– Physics and Mathematics. Accordingly, two different branches emerge, namely, B.Sc. Physical Science with Computer Science and B.Sc. Physical Science with Chemistry. Also, it has a component of Environmental Science as a compulsory paper. To run the course effectively, the college has provided upgraded infrastructure in terms of Laboratory, Information Communication and Technology (ICT), Workstations, Modern Classrooms. Highly accomplished faculty members are also always available to guide the students pursue their goals.

Besides observing its routine academic schedule, the B.Sc. Physical Science Committee organizes 'Scintilla', an annual fest, every year to provide a forum to students to engage in various activities aimed at their overall development. In addition to that an annual lecture series is conducted by inviting eminent speakers from various fields to enrich student's knowledge and make them aware of research and developments happening in science. All the concerned departments of B.Sc. Physical Science work together to lend guidance and skills that make the students more promising and employable. This is proved by the fact that the students have secured good placements through the central placement process of the College as well as University of Delhi. The course serves as a springboard for careers in the fields of Nanotechnology, Material Science, Electronic Science, Computer applications, Information Technology, Atomic and Nuclear Physics, Finance and Analytics, Chemistry etc.

ADVANCED DIPLOMA IN TV PROGRAMME AND NEWS PRODUCTION

Media industry needs more 'skilled' workforce, NSQF qualified learners will be able to meet the challenges offered by contemporary media industry.

The curriculum of this course is designed to equip the students with an intellectual and inter-disciplinary approach that prepares them for the Industry. The learning process aims to strike a balance between the theoretical and practical approach to the field. Syllabus of the course will be in alignment with National Occupational Standard of the Sector Skills Council and NVEQF / NSQF. Syllabus has been developed in consultation with the industry professionals, academicians & Media & Entertainment Skill council. In order to make education relevant and to create 'industry fit' skilled workforce, the college will be in constant dialogue with the industry so that they remain updated on the requirements of the workforce in the industry.

The course offers credit-based modular programmes, wherein banking of credits is permitted so as to enable multiple exit and entry levels. This would enable the learner to seek employment after any level of certification and join back as and when feasible to upgrade her/his qualification/skill competency either to move higher in her/his job or in the higher educational system. This will also provide the learner an opportunity to move from vocational stream to general stream and vice-versa, subject to fulfilling the entry qualifications.

Progression of the course

ATTENDANCE

1. All courses taught in the college shall be taught in the Semester System as per University of Delhi Guidelines and Curricula.
2. According to Ordinance VII (2)* of the University of Delhi, a candidate for the Semester I/III/V Examination shall not be deemed to have satisfied the required conditions of attendance unless s/he has attended, in all the subjects taken together, not less than two thirds of the lectures/practical/presentations/tutorials required to be attended provided that a student of the Semester I/III/V who does not fulfil the required conditions of attendance, as above, but has attended, in all the subjects taken together, not less than 40 percent of lectures/practical/presentations during the respective semester, may at the discretion of the Principal of the College concerned, appear for the ensuing semester Examination; but such a candidate shall be required to make up the deficiency at lectures and practicals, in the next semester of the same academic year.
3. Provided that a student of the II/IV semester who does not fulfill the required conditions of attendance as above, but has attended in all the subjects taken together, not less than 40 per cent of the lectures/practical/presentation/tutorials, held during the respective semester, may at the discretion of the Principal of the College concerned, be allowed to appear in the ensuing examination provided that s/he makes up the deficiency of the said attendance by combining the attendance of the previous semester in the ensuing semester.
4. The assessment marks for attendance are assigned as per the following guidelines:
Less than 67% (0 Mark), More than 67% but less than 70% (1 Mark), More than 70% but less than 75% (2 Marks), More than 75% but less than 80% (3 Marks), More than 80% but less than 85% (4 Marks), More than 85% (5 Marks).
