NOTICE

All students are hereby informed that the college has not yet announced the schedule of the Student Union Elections 2025-26. It has come to the notice of undersigned that some of the students have been involved in campaigning and disturbing the teaching-learning process in the college.

It is advised to the students to attend their classes regularly and not to involve in unlawful assembly and disturbing the classroom teaching. Any such campaigning before official notification shall be treated as a violation of College discipline.

The College firmly believes in the principles of democracy and will provide adequate opportunities to the students in fair and impartial use of their democratic rights. They shall be provided opportunities once the Student Union election schedule will be notified.

All students are advised to take note of the above and comply accordingly.
