2.14 Significant Activities and contributions made by IQAC

- The Principal, teachers-in-charge of all departments and key administrative officers (AO Admin, SO Accounts and Librarian) are part of the IQAC at Maharaja Agrasen College.
- Teachers-in-Charge prepare the academic calendar of their departments which is then discussed and finalized in the IQAC.
- Likewise, department budgets and activities are also discussed before being sent for approval by the Governing body. This is submitted in a prescribed format.
- As per norms prepared by the IQAC, all department activities are organised in the second half of the semester/ month/ day to ensure minimal disturbance of the teaching schedule.
- Students' needs are factored in before the activities for the year are planned.
- Student Feedback is important and is sought after every such event. This helps in planning for the future.
- Departments submit an analysis of paper wise results along with follow up remedial measures which are then discussed in the IQAC.
- The IQAC encourages administrative staff to organise and participate in skill upgradation and training programmes as is evident in the details given in *Annexure I*.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- As per the guidelines laid down by the IQAC, the academic calendar has been drawn to ensure that teaching is optimized by keeping co and extra-curricular activities to the second half of every semester/ month.
- The Academic Planning Committee in the college has streamlined the process of offering Generic Elective and Skill Enhancement Course options under the Credit Based Choice System before the commencement of the academic session. This has ensured that there is no loss of teaching time. Details of Generic Electives and Skill Enhancement Courses offered in 2017-18 given in *Annexure III*
- Student feedback is integral to planning of planning conferences, seminars and workshops. Taking into account their needs and aspirations ensures optimal teaching and learning.
- Regular faculty-student meetings were held in departments to discuss syllabi completion and other issues related to teaching-learning.
- All departments planned visits to relevant industries, cultural heritage excursions etc much in advance. This ensured that the teaching schedule was

not impacted and students benefit from such experiences. Details of such visits is given in *Annexure IV*.

- Special sessions in conferences and seminars organised by Departments on research papers by Students has motivated students towards quality research.
- Multiple test series, Sample answers, Guided Writing, Surprise Tests, Quizzes and Group based projects were augmented.
- Screening of text-based films and visits to National School of Drama gave students wider exposure to different mediums and perspectives. Film Screenings have been a regular tradition in the Department of English. In the year 2017-18, Joe Wright's adaptation of *Pride and Prejudice*, Baz Lurhman's *Romeo & Juliet*, Chandraparakash Dwivedi's *Pinjar*, Vishal Bhadwaj's *Maqbool* and *Omkara*, along with Francis Ford Coppola's *Apocalypse Now*, Charlie Chaplin's *The Tramp* were among the many films screened. All of these films have a direct correlation with the texts being taught. This helps in giving students different perspectives to the text and the difference in the medium.
- ICT enabled teaching and learning was promoted through various workshops thereby making students aware about various open learning e-resources available.
- The departments notified the schedule of internal assessment well in advance. Around 75% of the syllabus was tested in the Internal Exams.
- Students were informed about their Internal Assessment marks much in advance via the college website and notice board. This was moderated by both the department Moderation Committee as well as the College Internal Assessment Moderation Committee.
- Grievances regarding Internal Assessment were taken up by both the committees mentioned above.
- Student Research was further encouraged by engaging them in student driven projects in the Abdul Kalam Centre. (*Annexure V*)
- Several departments strengthened hands on mentorship, particularly with first year students. Some departments have initiated mentorship of first year students with 8 students per mentor.
- Laboratory schedule was prepared at the beginning of the semester itself and there was continuous monitoring of laboratory procedures
- Regular student feedback was taken regarding Laboratory infrastructure.
- Remedial Classes and Zero Lab sessions were held in Labs to assess skills of students and offer support wherever required.

2.7 Total No. of actual teaching days during this academic year

2.8 Examination/ Evaluation Reforms initiated by the Institution

- Maharaja Agrasen College is a constituent college of the University of Delhi. The End semester exams are conducted by the University but held in the college.

- The examination committee has reinforced norms for the conduct of the examinations and made all faculty aware of these norms before the commencement of the exams.
- Preference of faculty regarding dates of invigilation duties is taken and factored in while preparing the duty chart.
- Duty chart of invigilation duty is prepared and circulated much in advance to ensure presence of faculty during exams.
- Flying squads comprising of faculty ensured that use of unfair means was checked.
- Departments have also taken steps to streamline internal exams.
- Continuous and Comprehensive Evaluations were undertaken through class tests, assignment problems, Case Studies and Projects
- Multiple assignments were given to students, topics were given in advance to enable them to prepare. The best of 2/3 assignments were submitted for their IA data.
- Faculty ensured that 75% of the syllabus was covered prior to the Tests.
- Those students who did not perform well in the assignment were counseled individually and when required, weaker students were given more chances to improve their scores.
- This led to an improved outcome as there was no/lesser performance anxiety.
- Students involved in co-curricular and sports activities who missed the first test could appear in the second/ third round.

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

Maharaja Agrasen College takes pride in its initiatives to promote and encourage student driven research. This was appreciated by the NAAC Peer Team Members as well during their visit to the college in August, 2016. This has been further strengthened by the following endeavours.

- **Abdul Kalam Centre**

Taking the vision of the erstwhile Honourable President of India, Dr. APJ Abdul Kalam, forward, MAC set up the Abdul Kalam Centre to provide support facilities to its students as well as faculty members for carrying out their research activities. The college has successfully completed 12 innovation projects in the years 2012-15 and 09 in 2015-17 wherein our student researchers have shown tremendous creativity and have come up with some pilot products that have direct applications in practical life and can be converted into a marketable product. The enthusiasm of students is the major driving force behind the setting up of this centre. Their performance in the past fuelled us to provide them with better facilities and a conducive environment where they may use their latent capabilities to the hilt.

The Centre serves as a one-stop space for nurturing raw innovative ideas from students/ faculties into a well-defined research or practice or even a start-up initiative. The Centre provides round the clock infrastructural and IT support as well as brainstorming sessions with faculty/ industry persons to refine the nascent ideas and may also provide financial support to selected ventures. The purpose behind setting up of the Centre is to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance.

- **Star Innovation Projects**

At present seven star innovation research projects funded by University of Delhi are being run in the center in which 18 faculty members and around 70 students are involved.

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

- **Swachhhta Program:**

“Zero Impact On Environment”- group of MAC-NSS organized weekly cleanliness drives in the College and nearby areas including the market for 'four' months. With a genuine concern towards the degrading environment and surroundings, it worked to mitigate the same through simple methods of keeping our surroundings clean. A very large number of volunteers participated and worked enthusiastically in these drives. The drives were organized 'once a week' after 2:30 pm. The team also organized awareness hours too, where the volunteers interacted with peers about necessity of keeping surroundings clean.

- **Project ABHI (AgrasenBaroji Help Initiative) :**

The MAC- NSS unit has adopted Baroji village in the Mewat district of the state of Haryana. This year two visits were made to the village on 4th November'2017 and a three day camp was organized in January'2018, to interact with villagers, hold plantation drives, workshop for villagers to apprise them about government policies for them.

- **'Run for Unity'**

A 'Run for Unity' was organised on 31st October 2017 on the occasion of RashtriyaEktaDiwas.(the birth anniversary of SardarVallabhbhai Patel) Around

30 NSS volunteers participated in the 'Run For Unity' to spread the message of unity in the society.

- **Pedal Power:**

MAC-NSS has a very active bicycle club with more than 40 members. Mr. Amit Kumar, Assistant Professor, Department of Commerce has been managing the club for the last four years. This year the club organised the tours to the following places: India Gate : to pay homage to the brave soldiers who died in the terrorists attack at Uri.

Raj Ghat : to spread awareness about Swach Bharat Abhiyan

New Ashok Nagar: to spread awareness about harmful effects of pollution and need for proper disposal of garbage like plastic bags, bottle etc.

Okhla Bird Sanctuary: to learn about the importance of nature in our life and wildlife ecosystem.

- **Project BLOOD Group - Drop of Life :**

A project has been initiated in the college. The 20 member team headed by Mr. Ajit Yadav and with Ms. Priya Vishwakarma as the project coordinator carried out an awareness program and asked the college students to fill a goggle form designed to provide and collect blood group related information. Till date around 1500 goggle forms have been filled by the MAC students.

- **Project "Akshar"**

In this project volunteers provide quality education to the children from under-privileged section of the society. Approximately 90 students from nearby colonies like Dallupura and Kondli are enrolled in the project. Classes are held in the college premises from 3:30 pm till 5:30 pm. The stationery items are provided free of cost to the students. The money for the same was raised during the Annual Diwali Mela. On 14th November 2017 Akshar celebrated 'children's day' with more than 100 children from nearby slums and villages.

- Under Project Precision Agriculture for water conservation, models were developed in college and workshops organized in villages.
- Project Farm Waste Decomposting: Keeping in view the problem of stubble burning as the main cause of pollution in Delhi-NCR region, the NSS team held workshops in villages to apprise the villagers of various techniques available to decompose farm waste and distributed the decomposing culture.
- Plantation Drives: Several plantation drives were organized by MAC-NSS in collaboration with MAC-INSERCH.
- Visit to village Jharoda: In collaboration with Dept. of Social Welfare, University of Delhi.
- Workshop on Stress Management: "Nitai Sound Yoga" workshop was conducted by anti stress yoga experts for the teachers and students.
- Workshop on Community Sensitisation towards Visually Impaired Persons organised.

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- Student Feedback on various aspects of the Institute has been elicited.
- Feedback on Administrative procedures and processes has helped bring in improvements.
- Student feedback on several workshops and special lectures has helped departments and committees plan their activity calendar.
- Student Grievance Mechanism has been strengthened.

5.2 Efforts made by the institution for tracking the progression

MAC Alumni: The Alumni Committee has been consistently working for bringing the alumni closer to the College. This is done by way of regular updating of database in order to have better communication with the alumni. Today, we have sanitized database of over 6000 students. The Committee is in process of putting together a dedicated website/web link through which the alumni can update her contact and profile details on a regular basis. The Committee has drafted a Memorandum of Association for the formation of Alumni Association of Maharaja Agrasen College. Once registered, all activities pertaining to alumni shall be jointly coordinated with the Alumni Association and the College.

Alumni Committee organized Annual Alumni Meet on February 12, 2017 which was attended by over 150 members. As a departure from past years, this year's meet was held during daytime. Main highlights of the Meet were a cultural program presented by the College dance society Nat raj, tug of war and lemon and spoon race for the alumni coordinated by the Girls' Hostel volunteers. Another attraction was the Prop Corner which was well stocked with masks, wigs and props of various types. The Alumni Meet ended with cake cutting ceremony and lunch.

The Committee has decided to start 'Meet your Alumni' which would be a monthly program where established alumni would share their experiences with the College community.

Departments: Departments gather data regarding Student Progression through the following means:

- Via Google link on email, facebook and whatsapp alumni group. The data is very useful as it tracks the higher education MAC Alumni pursue and the career choices they make.
- Departmental level Alumni facebook page.
- Efforts are on to augment the alumni database at departmental level.

Training and Placement Cell: Training and Placement Cell of Maharaja Agrasen College, University of Delhi is working to provide best job and internship opportunities to the students of college and also to other students. In lieu of this, this cell has organised various workshops which have helped the students directly as well as indirectly in improving their professional skills. The CV building and interview skills building workshops were the main workshops that helped the students to better understand the professionalism. Both workshops aimed at improving the interactive skills of the students.

Ms. Manjari Chaturvedi, currently employed as a Assistant Professor in Department of English, Bhagat Singh College, University of Delhi, was invited as the trainer and special guest for CV Building workshop. She explained various aspects of CV, which one oftenly enquires about. Students came to know about the every major and minor thing of a CV. Everyone was told about the order and the proper way of writing it. The common mistakes were brought to highlight. The

workshop helped the students to understand the professional need of a proper CV in the formal life.

Mrs. Priyanka Ramteke, the Director of Social Vive was invited to deliver a Placement Prep Talk to provide the students with tips for preparing for professional interviews. Students from all courses, be it commerce, be it business economics, be it journalism, be it political science, be it English honours, took an active part to learn the aptness of an interview.

The workshop helped the students to bridge the gap between the students and the corporates by eliminating the fear of facing an interview as it explained the things so well to make the students more confident and committed. Workshop explained about the various aspects of professionalism, social behaviour, personality development and much more. Students find it interactive as they were much involved in the talk and even shared their experiences with others.

The workshop was a success in itself as the students and other faculty members found it worthy and meaningful for the bright future and new evolving career of the students.

Also, TPC remained active even during the examinations. When the final year students were busy in the preparation of their exams, the cell was working to invite best companies as per the need of the students, so that no student can go empty handed after completing the graduation. TPC has also conducted a Pre-Placement-Survey which helped the team members to understand the kind of profiles needed by the students from different departments. This helped in getting a good data of the interested students and also helped in understanding the types of companies to be contacted for placements. Even, Training and Placement Cell of MAC will be collaborating with WeIntern, an internship providing platform very soon to ensure that it provides best internships to the students.

The aim of TPC of MAC is to create an atmosphere within the college so as to provide jobs and internships best suited to the personality of the students. And the team is working on the best path to achieve this objective.

Departments: Departments have been guiding and informing students about career choices.

- Internship opportunities are circulated amongst students via the students' notice board and whatsapp groups.
- Department faculty have been helping students in drafting their 'SOP' for admissions in foreign universities.
- Students of department of Business Economics visited National Stock Exchange Delhi to promote interactive and applied knowledge of discipline specific elective papers . At NSE regional office, students got to know real time functioning of stock market as well as different aspects of financial markets of India through an extensive presentation led by NSE experts,.
- Seminar on 'Startup and innovation' was held in the month of August, in which guests like Mr. Saumyajit Guha, Mr. Yuvraj Bhardwaj and Mr. Vijay Rathee were invited.

- One day seminar on “Recent developments in electronics and Industrial applications” was organized by department of Electronics on 15th March 2018. The students interacted with Mr. Preet Yadav from NXP India, Mr. Vikas Jain from Huawei Telecommunications India Pvt. Ltd, Ms. Sandhya Malikar Patel from National Physical Laboratory (NPL), CSIR and Mr. Deepak Das from Mentor, A Siemens Company and shared their real time experiences related to the current developments in the electronic industry.
- ESRC, Abdul Kalam Centre in collaboration with Department of Electronics, Shaheed Rajguru College for Women organized Workshop on Virtual Instrumentation with Labview and IOT using Raspberry pi where Mr. Avneesh K. Sinha and Mr. Kuldeep Sharma, both from TechLabs and Mr. Ashish and Mr Neeraj from NEC Technologies provided hands on training to students.
- ‘Meet the Author’ series by the Department of English gave students pertinent inputs in the vast world of creative writing and publishing. This year, it consisted of a panel discussion on topic, “Biography and Popular Imagination”. The panelists included renowned journalists and writers Vijay Lokapally and Yasser Usman.
- Likewise, students of Journalism are given opportunities to interact with journalists periodically thereby giving them much needed exposure in the field. This year students were exposed to the real working environment by introducing them to the top most journalists and motivational speakers of media industry like SahilMaghnani (CNN), Sakal Bhatt (Republic TV), Neeraj (Sahara Group) and SarveshTiwari (I.P University).

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The vision of Maharaja Agrasen College is to make quality the defining element of education of the students and set the standards for higher education in the University of Delhi in the twenty-first century. We are committed to creating and sustaining the conditions that enable all Maharaja Agrasen College students to experience an unparalleled educational journey that is intellectually, socially, and personally transformative.

The mission of Maharaja Agrasen College is to educate the citizens and citizen-leaders for our society. We do this through our commitment to the transformative power of higher education in arts, commerce and sciences. Beginning in the classroom with exposure to new ideas, new ways of understanding, and new ways of knowing, students embark on a journey of intellectual transformation. Through a diverse living environment, where students interact with people who are studying different topics, who come from different walks of life and have evolving identities, intellectual transformation is deepened and conditions for social transformation are created.

It is imperative to build excellence in the educational system to meet new challenges and to increase India's competitive advantage in emerging fields of knowledge. The college is committed to integrating skills with knowledge, to enhancing theory with practice and to augment the institute-industry interface.

We hope that students will begin to fashion their lives by gaining a sense of what they want to do with their intellectual abilities and talents, assessing their values and interests, and learning how they can best serve the world. The new approach to higher education incorporated in the Choice Based Credit System offers courses that connect in explicit ways what students are learning in the classroom to the lives they will lead beyond college.

6.2 Does the Institution has a Management Information System

The process to procure a Management Information System is underway and we hope to have it in place in the coming academic session

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Though Maharaja Agrasen College is a constituent college of the University of Delhi and follows the syllabi prescribed by the University yet it participates in curriculum development in the following ways.

- Faculty are part of the committee of courses in the University on rotation basis.
- Faculty are engaged with the University in revision of syllabus through University Department General Body Meetings.

- Faculty give the University Departments feedback on the curriculum as and when asked.
- Faculty are engaged with UGC Pathshala and Institute of Lifelong Learning in preparing e modules for the syllabus framed by the University.

6.3.2 Teaching and Learning

- Departments organise special talks, workshops, seminars and conferences regularly. This helps not just them but also exposes students to the best minds in the field.
- Faculty are encouraged to participate in faculty development programmes, seminars and conferences to keep themselves abreast with current research in their respective fields.
- Faculty encouraged to participate in Faculty Development programmes.
- Student driven research led by faculty encouraged through Star Innovation Projects.

6.3.3 Examination and Evaluation

- Maharaja Agrasen College is a constituent college of the University of Delhi. The End semester exams are conducted by the University but held in the college.
- The examination committee has reinforced norms for the conduct of the examinations and made all faculty aware of these norms before the commencement of the exams.
- Preference of faculty regarding dates of invigilation duties is taken and factored in while preparing the duty chart.
- Duty chart of invigilation duty is prepared and circulated much in advance to ensure presence of faculty during exams.
- Flying squads comprising of faculty ensured that use of unfair means was checked.
- Departments have also taken steps to streamline internal exams.
- Continuous and Comprehensive Evaluations were undertaken through class tests, assignment problems, Case Studies and Projects
- Multiple assignments were given to students, topics were given in advance to enable them to prepare. The best of 2/3 assignments were submitted for their IA data.
- Faculty ensured that 75% of the syllabus was covered prior to the Internal exam.
- Those students who did not perform well in the assignment were counselled individually and when required, weaker students were given more chances to improve their scores.
- This led to an improved outcome as there was no/lesser performance anxiety.
- Students involved in co-curricular and sports activities who missed the first test could appear in the second/ third round.

6.3.4 Research and Development

- **Abdul Kalam Centre:** The Abdul Kalam Centre provides support facilities to its students as well as faculty members for carrying out their research activities. 6.11 Activities and support from the Alumni Association

The Alumni Committee has been consistently working for bringing the alumni closer to the College. This is done by way of regular updating of database in order to have better communication with the alumni. Today, we have sanitized database of over 6000 students. The Committee is in process of putting together a dedicated website/web link through which the alumni can update her contact and profile details on a regular basis.

The Committee has drafted a Memorandum of Association for the formation of Alumni Association of Maharaja Agrasen College. Once registered, all activities pertaining to alumni shall be jointly coordinated with the Alumni Association and the College.

Alumni Committee organized Annual Alumni Meet on February 12, 2017 which was attended by over 150 members. As a departure from past years, this year's meet was held during daytime. Main highlights of the Meet were a cultural

program presented by the College dance society Nat raj, tug of war and lemon and spoon race for the alumni coordinated by the Girls' Hostel volunteers. Another attraction was the Prop Corner which was well stocked with masks, wigs and props of various types. The Alumni Meet ended with cake cutting ceremony and lunch.

The Committee has decided to start 'Meet your Alumni' which would be a monthly program where established alumni would share their experiences with the College community.

6.14 Initiatives taken by the institution to make the campus eco-friendly

The College is committed to the promotion of green practices among the College community through various initiatives throughout the year. Some of the activities undertaken during the year are:

- Promotion of the concept of bio-degradable and non-bio degradable waste by placing separate dustbins in the canteen and other common areas.

- A campaign for paperless office works by promoting the use of digital channels like e-mails for communication of notices and general information among the college community as also outside agencies.
- Through MAC INSERCH, periodic eco-walks for the students is planned from the forthcoming academic session acquainting the students about the ecological features of the college like variety nature of flora, existing rain-water harvesting pits, functions of effluent treatment plant and just developed functional ecosystem around the water body in the front lawns of the college.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- Students driven research and extension activities at Maharaja Agrasen College have been much appreciated and commended both by assessment and accreditation agencies as well as the University.
- The University of Delhi recognised our efforts and awarded us the ‘Best College for Good Practices’ in the year 2013 and the second prize for the same in 2014. We were ranked 32 by NIRF and 30 in Arts, 24 in Commerce and 19 in Sciences in India’s Best Colleges by India Today. This is largely due to undergraduate research in the college.
- Details of extension activities are given in Section 3.26
- Details of student driven research can be seen in *Annexure V*

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Plan of Action (2017-18)	Achievements
Introduction of additional Courses	The college has initiated the process of seeking approval for introduction of new courses and had sought inputs from all departments. The departments have submitted their suggestions and the process is underway.
Advance Planning of Academic Calendar	Departments prepared their academic calendar in consultation with faculty of their departments. Activities were planned in order to minimize disturbance of teaching schedules.
Advance approval of department budget for activities	All departments submitted not just their calendar of activities in advance but also the budget for the same in order to minimize time spent on approvals.
Regular Result analysis	Departments submitted paper wise results analysis and submitted remedial measures followed.
Encourage participation of Faculty in Faculty Development programmes	23 Faculty participated Faculty Development programmes
Skill Enhancement of Non Teaching Staff	29 Non - Teaching Staff participated in Skill Enhancement programmes
Organisation of conference and seminars relevant to students	The following were organised during the academic session 2017-18 keeping the needs of students in mind: National Conferences : 04 International Conferences : 01 Seminars : 10

Elicit regular student feedback	Student Feedback is periodically taken by the administration
Encourage student driven research	Student Driven Research is our USP and the college focuses proactively in encouraging the same. Abdul Kalam Centre, a single point research oriented hub is available for students and faculty with necessary facilities. 07 Star Innovation Projects of duration 3years are presently running with a budget outlay of Rs.1,08,00,000/-
Add on Courses	Advance Diploma in Television Programme and News Production

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

1. Student Driven Research. Maharaja Agrasen College takes pride in the undergraduate research by students. This was much appreciated by several assessment and accreditation agencies as well as University of Delhi. Some of our key efforts and achievements as follows:

- **Abdul Kalam Centre:** Taking the vision of the erstwhile Honorable President of India, Dr. APJ Abdul Kalam, Maharaja Agrasen College set up the Abdul Kalam Centre to provide support facilities to its students as well as faculty members for carrying out their research activities. The college has successfully completed 12 innovation projects in the years 2012-15 and 09 in 2015-17 wherein our student researchers have shown tremendous creativity and have come up with some pilot products that have direct applications in practical life and can be converted into a marketable product. The enthusiasm of students is the major driving force behind the setting up of this center. Their performance in the past fuelled the college to provide them with better facilities and a conducive environment where they may use their latent capabilities to the hilt.
- It offers logistics and infrastructure support to researchers, both faculty and students. A single point research oriented hub with infrastructural and software and hardware support, the Centre serves as a one-stop space for nurturing raw innovative ideas from students/ faculties into a well-defined research or practice.
- **Star Innovation Projects:** At present seven star innovation research projects funded by University of Delhi are being run in the center in which 17 faculty members and around 80 students are involved. For details see *Annexure V*
- **Seminars & Conferences:** Every year, all departments of the College proactively organise seminars and conferences in order to expose students to evolving areas of research and engage them with experts in the field.

Furthermore, special sessions on paper presentations by students encourages research. For details see *Annexure VII & Annexure VIII*

- **Workshops:** Hands on workshop facilitate better learning and departments organized 9 workshops in 2017 -18 in the areas of English Language Proficiency, Image Processing using open CV and Python, Precision in Agricultural techniques, Android Application and Information Literacy amongst others.
- **Special Lectures:** Special Lectures and talks by renowned academicians, researchers and experts broadens their horizons and strengthens their understanding of the subject. For details see *Annexure IX*.

2. **Agrasen Baroji Help Initiative (ABHI):**In 2011, Maharaja Agrasen College offered a collaborative hand to residents of Baroji Village in the Nuh (Mewat) district of Haryana in order to synergize the dynamism of our students, faculty and the natives of Baroji. The attempt was to blur boundaries and to understand their core issues with the aim to extend our resources to them. Multiple visits by students and faculty to Baroji every year have led to a relationship based on mutual understanding and trust. They are now an integral part of the college and the college takes pride in its association with the residents of Baroji.

Students helped in setting up a Library and sports facilities for the residents of Baroji. They also helped in spreading awareness about government policies and their implementation through screening of films. The past six years have seen a bond develop and strengthen and the college seeks to engage more and more students in different extension activities at Baroji to enable wider participation and to synergize core competencies in a dynamic association.

The College had also synergized the ambitious Swachhta Abhiyan launched by the Honourable Prime Minister, a team of fifty students undertook various Cleanliness Drives within the village in 2015. Also, numerous sensitization programs on sanitation and hygiene were brought forth.

This year two visits were made to the village on 4th November'2017 and a three-day camp was organized in January 2018, to interact with villagers, hold plantation drives, workshop for villagers to apprise them about government policies for them.

7.4 Contribution to environmental awareness / protection

Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility by Conserving Heritage (MAC INSERCH) is an initiative by students, teachers and administrative staff of the college who are committed to the cause of environmental and heritage conservation and development. It is led by a strong team of over 25 teaching staff and 50 student volunteers who incessantly work throughout the year.

The activities of MAC INSERCH are divided into 5 distinct categories: Recycle and Reuse related activities, Green Initiative, Energy Conservation, Heritage and Culture and Organic Farming. The activities of this body started from the Orientation Day itself with a plantation drive by the new batches and their

departments. MAC INSERCH also organized plantation drive on various occasions of importance in association with civil society and institutions of Vasundhara Enclave. Dr B. C. Sabata, Sr. Scientific Officer, Govt. of NCT of Delhi, Sh. Rajeev Kumar, Councillor, Dallupura, East Delhi MCD and Dr Faiyaz Khudsar, Scientist In-charge, were among the dignitaries who supported our cause with their gracious presence.

MAC INSERCH lend a hand in various activities of NSS such as Diwali Mela, Agrasen Baroji Help Initiative (ABHI). MAC INSERCH concluded the session with the 6th National Conference on Biodiversity and Climate Change held from 8-10 February 2018.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Self-reflection is an intrinsic part of growth. Maharaja Agrasen College has constantly endeavored to introspect, analyse and improve in order to offer quality education to its students.

Our strengths are several and our weaknesses and challenges give us opportunities for us to surge ahead. The growth of an institution is possible only if all stakeholders; Governance, Leadership, Faculty, Administrative Staff and Students work proactively to achieve greater milestones. A brief overview of our assessment of the college is given below.

STRENGTHS

- NAAC Grade 'A' is an acknowledgement of our efforts towards excellence in Higher Education.
- Furthermore, NIRF ranking 32 is an encouragement to strive for greater milestones.
- India Today Ranking of 30 in Arts, 24 in Commerce and 19 in Science reflects our endeavours.
- Process of introducing new courses has been initiated and we hope to introduce them by the next academic session.
- Process of introducing more skill based vocational courses to improve the students' employability has been initiated.
- Student driven Research and Innovation are given top priority in the college. The college takes pride in its engagements in 7 Star Innovation Projects currently and in the participation of students in the Academic Student Congress held annually since 2013.
- Abdul Kalam Research Centre is one of the key initiatives of Maharaja Agrasen College that offers a single platform for logistics and infrastructure support to researchers, both faculty and students.

- Meritorious students who have excelled in academics by winning merit positions in University exams.
- Organisation of conferences and workshops by faculty has created a vibrant front in the college wherein students are exposed to the best minds and evolving fields of research. 05 conferences and 11 workshops were organised in the academic session 2017-18.
- Faculty members are encouraged to attend Orientation and Refresher programmes and provided with timely study leave/ sabbatical for pursuing doctoral/ post-doctoral research.
- Many faculty members are engaged in e content development, curriculum enhancement measures, revision and changes in curriculum both for the University to which we are affiliated as well as to other universities.
- Faculty are constantly engaged in publication of research articles and in 2016-17, 43 articles were published in refereed peer review journals of repute.
- Non Teaching Faculty are constantly engaged in skill upgradation. 29 Non teaching faculty successfully participated in workshops.
- The success of the add on course in Advanced Diploma in TV Programme and News Production
- Participation of the students in the extension activities of the college with vigour and enthusiasm has led to stronger bonds between the residents of Baroji in Mewat District of Haryana.
- The MAC-NSS is a vibrant front in the college and works proactively towards the holistic development of students. It organises events and engages students with the world outside the college in order to make them sensitive and evolved citizens of the country.
- Equal Opportunities Cell, IGNOU Centre and the NCWEB constantly strive to reach out to marginalized sections of society.
- MAC INSERCH (Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility and Conserving Heritage) has launched initiatives towards adoption of environment friendly policies in all our activities and worked proactively towards minimising the consumption of carbon-rich energy

WEAKNESSES

- Stronger interface and linkages with the industry.
- Need wider representations from Companies for placement.
- Need to initiate exchange programmes and collaborations with other universities and institutions both at the national and international level.

OPPORTUNITIES

- Set up Language Laboratories.
- Introduce additional soft skill development courses that lead to holistic development of students.
- Encourage student and teacher exchange programmes with other national/ international universities.

- To increase institute-industry interface and to bridge the gap between theory and practice.

CHALLENGES

- Collaboration with the private sector in augmenting research opportunities.

8. Plans of institution for next year

- Introduction of short-term and add -on Courses
- Introduction of Student Research Projects funded by the college
- Soft skill Courses
- Improve Institute-Industry Interface
- Encourage filing of Research Patents
- Augment Student Research
- Implementation of Campus-wide ERP system
- College policy for sustainable environment, sports, culture and Equal Opportunity Cell
