Celebrating 25 Years of Excellence in Higher Education

Principal's New Year Message – January 2023

I would like to wish you all a **Happy New Year 2023**, and the encompassing spirit of hope and vitality which each New Year brings. Firstly, I wish to acknowledge the Academic and Administrative staff and students for their individual and collective efforts in contributing to achieve NAAC "A" Grade in 2022. It was a year filled with various landmarks and achievement including promotion of teachers as Professors and Associate Professors and this would not have been possible without your dedication and commitment to this College.

Looking ahead, 2023 that should reflect a radical change in focus and attitude through a marked commitment to the Maharaja Agrasen's College Core Values. These Values include:- fostering teamwork, innovation, networking, tolerance and a culture of peace, embracing excellence, transparency and accountability, practicing professionalism, meritocracy, equality, integrity and social justice, maintaining self-respect, discipline, responsibility, institutional loyalty, national patriotism and international competitiveness, continual improvement of services in order to remain competitive and relevant. The values should be the common aspects that inform the execution of our duties as we strive to deliver on our mandate.

I urge each and every one of us this year to make that tangible contribution as we continue with our efforts to develop the college and bring more laurels in the year 2023.

I wish to acknowledge and thank college Governing Body and University of Delhi for the wisdom that enabled us to stay committed to our aim and objects.

Best wishes

Professor Sanjeev Kumar Tiwari
