

## *ABHINAY*

“Badhte challenge hum na rukenge”

Abhinay, the street play society of MAC is the longest running society and the above mentioned phrase truly shows its spirit of never stopping. Along with Acting, Singing, Creative writing and other skilful arts, the society teaches its members how to build confidence and personality. Abhinay possess great possibilities of motivation. An inactive lot can be transformed into an enigmatic one, when certain lessons are dramatized under the direction of skilful Coordinators. Abhinay helps to evolve students into performers and also trains them so that they can carry forward the legacy into future batches.

Their moto is - THE TRUTH OF OURSELVES IS THE ROOT OF OUR ACTING. Abhinay acts as a family where they pass on their energy and support to those in need. They represent the college across Delhi-NCR and often out of states too. Street theatre or NUKKAD NATAK artists are committed to bring social changes in the society. Abhinay builds productions around social causes like Gender Inequality and Tobacco every year. Apart from participating in competitions they also conduct public performances. The unity and team spirit of Abhinay is truly mesmerizing and if anyone questions whether they have the skill to join the society or not, Abhinay’s message to them is- WE DON’T TAKE ACTORS, WE MAKE ACTORS.
