

SRIJAN

BRUSHES AND COLOURS CHARTS A NEW IDEA

Srijan –The Art and Craft Society of Maharaja Agrasen College was established in 2013. It works on holistic development of an individual in the field of art by providing them sessions and workshops on different genres of fine arts. Srijan gives exposure to their work by conducting various events in the College. One of the most spectacular events organized by Srijan has been the Silver Lining-An Art and Craft exhibition that began in 2019 and has become an artistic event in itself. Our members created a model of the Iron Man of India, Sardar Vallabhbhai Patelin 2019. In 2020, it fashioned a statue of the Father of the Nation, MK Gandhi to mark his 150th Birth Anniversary.
