## **Prof. Anil Aneja**

### **Chairman, Governing Body**

Dear Aspirants,

As you prepare to embark on a new phase of your journey of life, it is our privilege and pleasure to welcome you to our esteemed institution which is committed to a holistic development of students as well as an inclusive environment.

Established in 1994, Maharaja Agrasen College has carved a niche for itself not just among the colleges of University of Delhi but also at the national level. This is reflected in the fact that our college has continuously figured in the top 55 colleges of the country in the NIRF ranking—an objective and strong validation of education and total life which the college offers. Through our various programmes of study in multiple disciplines, you will have an opportunity to imbibe knowledge, explore yourself and contribute towards social and community development. Our rich array of extracurricular activities and sports will, we hope, be an irresistible source of involvement for you.

We look forward to welcoming you with open arms as a part of our family and trust that you will further the values for which Maharaja Agrasen College has stood over a long period of time.

**Prof. Anil Kumar Aneja**  
**Chairman**  
**Maharaja Agrasen College**

## **Prof. Sanjeev Kumar Tiwari** **Principal (Offg.)**

The world is witnessing transformation at a very rapid pace and India is not an exception. The global pandemic due to COVID and the subsequent far-reaching reforms to achieve new heights led to a paradigm shift in the entire education system. The National Education Policy 2020 endeavors towards flexible, equitable and inclusive education. Maharaja Agrasen College, one of the premium institutions with NAAC 'A' accreditation has time and again marked its presence in the entire academic sphere of the country. We have maintained our good ranking in both NIRF and India Today - MDRA survey. The credit of this success story goes to its robust infrastructure, dedicated, highly qualified, and committed teaching and non-teaching staff engaged in imparting moral and ethical values and organizing a wide array of cultural, co-curricular and sports activities.

Despite the continuous lock down and closure due to the pandemic, the College has adapted the new normal and continues its journey to achieve new targets. The teaching learning process shifted to the online mode and the OBE was conducted successfully. The cultural, co-curricular, webinars, conferences and other activities also shifted to the online mode due to the new conditions and circumstances. Introduction of NCC unit for girls is a new feather in our cap in the academic year 2020-21. The tireless endeavors and enormous contribution of the teaching and non-teaching staff is manifested in the high scores secured by the students.

Maharaja Agrasen College with ten undergraduate courses and a total intake capacity of around 900 students is committed to excellence in every sphere of academics. Furthermore, it provides state of art infrastructure with 10 acres of sprawling campus, lush green sports ground, hostel for girl students, well equipped auditorium, conference halls, library with more than 45000 titles, modern laboratories, ICT center, Abdul Kalam Centre and recently added smart and interactive classrooms with multi-media facilities.

These laurels could be achieved due to the able guidance of the Governing Body of the College and consistent support of the Government of NCT of Delhi.

When the new batch of students are about to join this prestigious College, it is pertinent to re-emphasize that rules, regulations, norms and discipline are our guiding principles. Imparting values, ethics and respect for others go hand-in-hand with academics. I convey my best wishes and success in all future endeavors to the students who join Maharaja Agrasen family in 2021.

**Prof. Sanjeev Kumar Tiwari**

# COLLEGE PROFILE

Maharaja Agrasen College (MAC), believes in nurturing minds to imbibe learning in performance by imparting knowledge while exploring recent innovative and technical pedagogies. Our college has excelled in almost every field and has successfully earned grade 'A' as per NAAC.

During pandemic, MAC worked on providing a favourable online teaching-learning environment by designing and developing the online learning portal, organising faculty development programs, workshops, seminars and webinars. While focusing on a holistic approach towards teaching-learning techniques, MAC successfully conjoined moral learning and the richness of the latest technology. Such efforts have earned us nation-wide reputation and it is a matter of proud privilege for us that in the India Today survey of India's best colleges, 2021, the college has secured 27th rank. Furthermore, the college has been placed at 52nd position in the National Institutional Ranking Framework (NIRF), Ministry of Education, in 'India Ranking 2021'.

In MAC, every course gives a niche to its students' creativity and intellectual richness, and most of our alumni have accomplished remarkable positions in various fields. The college won the first prize in the competitive category of College with Good Practices at 'Antardhvani 2013', the Annual Cultural Festival of the University of Delhi.

The college has one of the best infrastructures in terms of both facilities and furnishings. It has smart classrooms with NET-enabled interactive panels, auditorium, conference halls, a library with e-journals, course-specific laboratories and ICT lab, gymnasium, girl hostel etc.

Various centres of different departments like Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies provide value addition towards holistic development of the students. The Abdul Kalam Centre for research, equipped with high performance computing, create a positive research culture supporting students as well as faculty members. The college is also a centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB). By being aware of its responsibility towards society, various student-driven projects are successfully running under NSS like AKSHAR, which facilitates free teaching classes to children from nearby areas. The college has also initiated NCC as its latest action program.

The College has been nurturing the creativity and potential of its students by allowing them to express and explore themselves in a better way. Our faculty religiously inculcates the values of hard work and diligence amongst its students. The college aims at nothing less than being the best and shall continue in its spirit to scale greater heights, and in its efforts to provide the best, it aims to actualize their potentialities. The college is sensitive towards weaker sections of our society and has always created equal opportunities for all students.

The institution is a staunch believer that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities for future achievements.

### ICT Centre

The Centre caters to the e-curriculum requirements of computer practical for various courses in the college. Alongside, the centre also runs a dedicated general purpose computer lab where faculty, students and staff can utilize computing facilities at their convenience. The general purpose lab provides a heterogeneous environment with Windows 7, Mac OS X and Linux Operating System. The Centre also provides a secure Wi-Fi network to all the students, staff and faculty members of the college.

### Media Centre

The college has a fully functional Media Centre with high definition equipment and in-house professional expertise to impart pre-production and post-production training to students of Journalism. Besides, it is also used for film screenings, short film making workshops and conducting seminars and conferences on different aspects of media studies and journalism. Live Projects, Industry Interface programmes are the basic characteristics of Media Centre. The College organizes various events in association with Industry partners under the aegis of the media centre.

### Sardar Vallabhbhai Patel Auditorium

The high tech auditorium is housed in a separate complex spread over three floors. It has the capacity to accommodate 700 students. Named after the Iron Man of India, Sardar Vallabhbhai Patel, the auditorium is the hub of all cultural and extra-curricular activities at the college. The auditorium has witnessed several high-profile events such as Swami Vivekanand Memorial Annual Lecture, Sardar Vallabhbhai Patel Memorial Annual Lecture, Dr. APJ Abdul Kalam Popular Science Lecture Series, 'YUVAAN' the annual cultural fest of the college, several SPIC MACAY performances by International artists notably Polish music and dance artists and Italian Band 'Kora Beat' etc. Prominent dignitaries who addressed the students include Vice President of India M. Vankaiiah Naidu, Hon'ble Governor of Gujarat, Shri O P Kohli, Hon'ble Deputy Chief Minister of the Government of NCT of Delhi, Shri Manish Sisodia, Hon'ble Minister for Culture of the Government of India to name a few. The auditorium also saw performances by legendary musician Pt. Hari Prasad Chaurasia, Kathak exponent Dr Shovana Narayan, Sarangi Artist Ustad Kamal Sabri and a host of popular artists.

## Conference Room

The ultra-modern Conference Room of the College is equipped with large size, ultra-high resolution interactive panel, an excellent sound system, overhead projector and other facilities. The conference room has enabled successful hosting of International, National Conferences and a series of Students Congresses along with facilitating student presentations. The Conference Room has been the venue for several National Conferences, namely, Indian Popular Fiction: Redefining the Canon, Higher Education Institutes: Knowledge Organisations, Reading Migrations: Fractured Histories, Forged Narratives, City Lives: Spaces and Narratives, Student Driven Research for Inspired Learning in

Science and Technology, India's Changing Role in the New World Order, Corporate Social Responsibility: Sports, Olympism and Global Peace, Biodiversity and Climate Change, Media Literacy: Progression and Challenges in Developing Countries and many more.

## Vidyottama Girls' Hostel

In any institution, a residential accommodation for students, especially girls, is always an asset. 'Vidyottama' the Girls' Hostel of Maharaja Agrasen College can accommodate fifty eight students on its three floors and has separate areas for dining and common room on the ground floor. Besides, a pantry has been provided on each floor. The hostel is fitted with several amenities like television, washing machine, water heaters, ironing facilities, electric stove etc. The hostel is Wi-Fi enabled and computers are available for the use of the residents.

Admissions to the hostel take place strictly on the basis of merit. Interested outstation girl students should keep visiting the college website [www.mac.du.ac.in](http://www.mac.du.ac.in) for information regarding admission to the hostel and other queries.

## Sports Facilities

Maharaja Agrasen College provides diverse sports facilities with coaching and training in Athletics, Archery, Basketball, Badminton, Chess, Cricket, Cycling, Soccer, Korfball, Softball, Volley Ball and Wushu. The Sports Committee of the College,

is in charge of supervising sports activities and organizes various sports and adventure activities regularly for the Students,

Teaching Staff and Non-Teaching Staff. The college also organizes its Annual Sports Festival, 'SPARDHA', wherein inter college sports competitions are held. With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre), which is accessible to all students and staff-members in the morning hours with an added advantage

to the hostel students, since they can access the gym even during the evening. Our future projects are: 1. Lawn Tennis court with synthetic turf. 2. Viewer's gallery along basketball court. 3. 10 m pistol shooting range. 4. Aarogyam: Herbal garden with yoga and meditation parks and an open gym.

## National Service Scheme (NSS)

NSS, ever since its inception in the year 2013 has been working towards the holistic development of the students. Keeping in view the motto 'Not Me But You' - an idea which dates back to the times of Mahatma Gandhi who insisted upon social responsibility, the volunteers registered in NSS unit render community service both inside and outside the college premises. The community service enhances leadership, organizational and management skills among the students. MAC-NSS allows the students to gain perspective on understanding the association of an individual to one's community and hence develop competencies in sharing of responsibilities among a larger group.

MAC - NSS volunteers work in various research projects, on innovative ideas, with villages, slums and voluntary agencies to complete mandatory 120 hours of regular activities during an academic year.

### *Few of the ongoing projects are:*

**Project ABHI (Agrasen Baroji Help Initiative) :** Maharaja Agrasen College adopted a village, BAROJI, in Mewat, Haryana, in 2013. Students and faculty visit Baroji several times every year and have worked together with the residents of Baroji closely towards the holistic development of Baroji.

'Tassavvur', the **Art and Photography Club** as the name suggests encourages interest in all aspects of arts and photography for the benefit of the learning community of University of Delhi and the community at large.

**Equal Opportunity Cell:** This platform of MAC-NSS supports differently-abled, SC/ST members and students from economically weaker sections of its learning community.

**Pedal Power Club** seeks to maintain physical fitness, explore the great heritage sites of New Delhi and NCR and become more sustainable by decreasing one's environmental impact.

**Agrani** mobilizes young learners and encourages them to advance gender equality and women development.

**Project AKSHAR**, is all about imparting education. MAC-NSS Coordinator and student volunteers in this project deliver quality education to the underprivileged children in the vicinity. Approximately 60 to 90 students from nearby colonies like Dallupura and Kondli are enrolled in this project. A very well designed structure along with all the necessary teaching aids and a highly interactive pedagogical technique are used by the Team AKSHAR. Parent teacher interactions and tests are held regularly to evaluate their progress. The results have been highly encouraging.

## National Cadet Corps (NCC)

NCC is the youth wing of the Indian Armed Forces with its headquarters in New Delhi. NCC is Tri-Services Organization, comprising the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens.

With its vision to empower volunteer youth to become potential leaders and responsible citizens of the country; it is open to school, college and university students all over India. Discipline and unity are the way of life and with this very motto our prestigious college has introduced NCC unit for the very first time in the academic session 2020-21.

The pandemic did not stop our college from putting this program into function after receiving the approval for raising the unit on 1 January 2021 with the company strength of 160. With active cadets of 54, the unit started its different activities such as cleanliness drive, adoption of statues for maintenance, organising different events like expert lecture, international yoga day, environment day etc. Cadets proudly presented their first drill on 2021 Independence Day in the college. As the total company strength allotted to our college unit is 160, the vacancy of 53 is open for this session.

## Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well furnished with comfortable chairs and tables for students and teachers. It houses more than 41750 books and 47000 National and International e-journals and other important e-resources related to Science and Technology, Social Sciences, Arts and Humanities, Commerce and Management. The library is fully managed by ALICE FOR WINDOW (library automation software). The library is subscribed with N-LIST (National Library and Information Services Infrastructure for Scholarly Content) which enables the users to access more than 5000 e-journals and e-books through a login username and password.

## Students' Union

The Students' Union is the apex academic student representative body of the college formed to work for the welfare of students by coordinating at the University level to actively organize academic and co-curricular events. The Students' Union of Maharaja Agrasen College is a democratically elected body. Academic merit, good attendance, sincerity, and leadership qualities present in students are the criteria for being elected to student's union.

The Students' Union along with the faculty and students Advisory committee works toward the improvement of college infrastructure and facilities in order to enable a better academic environment for improved performance. Student Union brings to the fore the qualities of working in a team, dramatizing innovative ideas and translating it into a vision.

## Extra Curricular Activities

Extra Curricular Activities form a vital part in the holistic development of the young minds. At Maharaja Agrasen College, various cultural activities are conducted under the ambit of the ECA Committee, a body of faculty members. The students organise and participate in various activities either through the Cultural Council, a group of students inducted by the ECA Committee, or through the cultural societies. The cultural societies at Maharaja Agrasen College are:

- 'Nataraj' – The Dance Society
- 'Septune' – The Music Society
- 'Srijan' – The Arts and Craft Society
- 'Chakra View' – The Debating Society
- 'Abhinay' – The Street Play Society
- 'Samayantar' – The Hindi Theatre Society
- 'Meraki' – The English Theatre Society
- 'Inquisitive' – The Quizzing Society
- 'Markos' – The Marketing Society
- 'Qissa' – The Film-making and Photography Society
- The North-East Society
- Anchoring Pool

The College is proud to be the mentor institute of the SPIC MACAY Delhi-and NCR East Zone.

VIRASAT Series is the much awaited week-long event organized by SPIC MACAY MAC Chapter.

Students are advised to visit the college website and University of Delhi website for further details. Students may contact Nodal Officer Scholarships.

## SC/ST/OBC UGC-Cell

The SC/ST/OBC Cell has been established as per the UGC guidelines to take care of the needs of students who have

taken admission under these categories. Liaison Officers and the committee members attend to queries of these students. In the same process, the Cell organizes various workshops and lectures for the students to inform them about scholarships and funding provided by government and various other organizations within these categories. Motivational lectures by Resource persons on various occasions cater to increase morale of the students, so that they are prepared to face future challenges. The Cell also time to time looks into the needs and grievances of these students. One of the dealing staff is also

available in the administrative block to cater to various queries of these students. On the College Website a link is available where Scholars of these categories can submit their grievances, if any.

## NCWEB

The Non-Collegiate Women's Education Board (NCWEB) Teaching Centre at Maharaja Agrasen College taps the potential of its students and provides them with opportunities to build their career and contribute in the process of nation-building. It aims to provide quality education to girls students of surrounding areas. NCWEB Maharaja Agrasen College offers undergraduate programmes in Arts and Commerce. The intake of the centre for Academic Year 2021-22 is 585. Interested students may visit [www.mac.du.ac.in](http://www.mac.du.ac.in) for further details.

## IGNOU

Maharaja Agrasen College is the study centre for Post-Graduate and Under-Graduate Courses offered by IGNOU. Classes are conducted during weekends for Bachelor of Computer Applications (BCA), Bachelor of Commerce (BDP), Bachelor of Science (B.Sc.), Master of Commerce (M.Com), Management Program (MBA), Master of Arts in Hindi (MHD), Master of Arts in Political Science (MPS), Master of Arts in History (MAH), Master of Arts in English (MEG), Master of Science in Mathematics with Application in Computer Science (MSCMACS), Master in Public Administration (MPA), Post Graduate Diploma in Journalism and Mass Communication (PGJMC), Diploma in Teaching German (DTG), Certificate in Languages and others.

## Centre for Performing Arts and Cultural Studies

The CPACS run by the Department of English, Maharaja Agrasen College seeks to promote performing arts and performance and cultural studies through its focus on image, direction, film, censorship, script, multimedia, narrative, play, intelligence, creativity and other related areas. Shabad Sambhale Boliye, an anti-ragging short film of CPACS directed by the Centre coordinator and Activity Director Vinod Verma was screened and discussed for the freshers (2018-19) in the college auditorium for spreading anti-ragging awareness among the students. The movie was also screened in an international conference in IU Germany Gateway. The Centre has also established a cell called LETTER (Learn through Theatre) which held 32 sessions with 40 students of first year on personality development through theatre exercises leading to their review of physical and cognitive development.

## Smart Class Rooms

Maharaja Agrasen College added another feather in its cap and paved way for next generation teaching-learning system by creating six smart classrooms in its premises. The smart classrooms are in line with the college's aim of providing holistic and quality education to all its students.

These classrooms will enhance virtual learning and teaching environments by offering real-time e-learning ambience, with help of audios and videos, multimedia images, online web conferences, PPT presentations, 2D & 3D animations, etc.

This leads to the emergence of a more inclusive and interactive teaching-learning scenario. This new age teaching-learning system will help in coalescing virtual and in-classroom teaching methodologies in multiple and innovative ways to afford easy accessibility for all. The smart classrooms were inaugurated by Vice Chancellor of University of Delhi, Prof P.C. Joshi on 10 September 2021 in presence of Dean of Colleges, Prof Balaram Pani, Principal, Prof Sanjeev Kumar Tiwari and other staff members of the college.

## Sanskriti Kala Kendra

The Hindi Department had started a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them academic knowledge, the centre focuses to inculcate cultural and moral values among the students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Apart from that centre organises various educational trips, Cultural Exchange Programmes and Seminar/ Symposium / Experts Lectures on Socio-cultural issues for overall development of the students.

## Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. The project is funded by the Government of NCT of Delhi and translates student and teacher materials in Hindi. It initiates and sustains the "Leadership Development Camp" and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing 'Monitoring and Evaluation' Mechanisms, publishing research related materials, developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India.

## Environmental Club

MAC INSERCH (Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility and Conserving Heritage) is an initiative by the students, teachers and administrative staff of the College who are committed to the cause of environmental and heritage conservation and development. This initiative was started in 2011 and in a span of ten years, it has made a significant difference in the environmental life of the college by way of planting trees, organizing poster making and best out of the waste competitions, Soup and Salad Party in order to promote an interest in organic food culture, six National Conferences on Biodiversity and Climate Change, conducting Tree Audit for the College, various energy conservation measures and visit to various places of historic interest and ecological importance.

## College Publications

The academic community of the college is alive to the need of bringing out in-house publications. The college publishes a research journal, 'The Indian Journal of Social Enquiry' which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal 'BEAM' which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly published its newsletter 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from news gathering to its circulation. 'AGRANIK', the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

## Training and Placement Cell (TPC)

The TPC works towards the holistic development of students and assists them to grasp the necessary professional aptitude and methodology. By giving them exposure to various fields of the corporate world, the cell enables them to tap their true potential, from getting them ready to enter the workforce and arming them with employability skills to making them believe in their ability to run enterprises. The cell ensures that the 'know-how' training is equipped with practical stories and provides diverse work opportunities to the students during their profile-building years but also inspire them to actively participate by making them comfortable in new spaces.

The cell allows you to polish and refine yourself throughout your college years. It is committed to providing nothing but the best quality of training to all the students regardless of the field they wish to pursue, whether it is marketing, finance, technical, logistics, entrepreneurship or anything 'corporate' under the vast blue sky. The cell members regularly hold webinars, workshops, trainings and interactive sessions for the students to allow them

to explore and learn about whatever suits them best. We work day in and day out to bring to them internships of the most helpful kind so that they can understand and analyse what stepping into the corporate world is like. Influential companies like Wipro, Aon, Flipkart and Cognizant visit the campus. The students get experience across various work-profiles like that of Programmer trainee, Financial Analyst, Junior Analyst, Supply chain intern etc.

The team is selected after an exhaustive and rigorous selection process because we are dedicated towards providing the students the best of every kind and compromising on quality is out of question. We also remain connected with all the other functioning bodies of our college and other colleges to remain updated at all times. With our capable and hardworking team, the TPC of Maharaja Agrasen College has come a long way and is all set for the stars for eons to come.

## 'Trishul' – The Adventure Club

Trishul mountaineering club of our college encourages students to participate in adventure sports activities like trekking, mountaineering, rock climbing, river rafting, para-gliding etc. Adventure sports exposes the students to challenges and hardships that helps them to improve their leadership, team building and problem solving abilities. It also inculcates down to earth attitude, fellow feeling and love for nature among the students. The club has organised various treks in the middle and greater Himalayas. Chandrashila Trek (2011), Harikdun Trek (2016) and Kuari Pass Trek (2017) are a few important among them.

## *Abdul Kalam Centre*

The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine nascent ideas and may provide financial support to selected ventures. The college in the earlier academic sessions has successfully completed 10 innovation projects and 7 Star Innovation Projects.

### **Short-Term Courses**

The main objective to start short-term courses in the college was to augment the undergraduate course curriculum, to empower student to meet challenges after graduating from college and to enhance the soft skills of the students.

**The following Short-term Courses are being run by the centre:**

## *ESRC*

The Embedded Systems and Robotics Centre (ESRC) , MAC has been set up with an aim to provide a platform for training students both in theory and applications of robotics through exciting hands-on application of Maths, Computer Science, and Engineering principles. The ESRC has been established with a mission to enable effective Embedded systems and Robotics education to students by providing training for students; engaging teachers and students in hands-on experiments with robots.

## *IQAC*

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. Internal Quality Assurance Cell (IQAC), Maharaja Agrasen College was formed with the aim to develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the College. The mandate of MAC IQAC is to develop an all-inclusive quality culture in the college by channeling and synergizing the efforts of all constituent stake holders of the college and work towards academic excellence and progress. The MAC-IQAC 2021-22 comprising of Principal as Chairperson and Prof. Maneesha as the Coordinator along with teachers-in-charge and administrative officials work in tandem towards internalization and institutionalization of quality enhancement initiatives. These initiatives help to improve the academic and administrative performance of the institution and to promote measures for institutional functioning through internalization of quality culture and institutionalization of best practices.

## *Centre for North East*

The Silver Jubilee Centre for North East India is another feather in the cap of Maharaja Agrasen College in its 25 Years of Excellence in Higher Education. It is the first such initiative in the University of Delhi. It aims to provide a wider platform to the students to display the essence of their region culturally, academically and through other modes and thereby, continue with its endeavour to sensitise the people of the Indian mainland about the oblivious North East.

## MAC-EBSB Club

As per the guidelines of Government of India under the initiative of Ek Bharat Shreshtha Bharat (EBSB), Maharaja Agrasen College launched the MAC-EBSB club in 2019-20. The club has more than twenty students from various departments organising events under the guidance of the teachers. Ek Bharat Shrestha Bharat is a humble initiative to cherish and celebrate the rich cultural heritage of our country India, to be able to preserve and propagate its history, traditions and values. In 2019-20 MAC-EBSB club had embodied the duty by representing the allocated state - Sikkim (as per the implementation strategy of the engagement matrix 2020) as a part of this social engagement program in coherent ways. On 22 February 2020 it introduced the new members of the club and its objectives, Since then the EBSB Club organized many events like movie screening, article writing competition, art competition etc.

The EBSB club collaborated with the Department of Mass communication of Sikkim University and organised a “Delhi & Sikkim E-tour” on 11 November 2020. In a ZOOM meet the students were taken on a visual journey that highlighted the speciality of the two states.

MAC-EBSB club is a learning platform for its members and a nourishing opportunity for the Maharaja Agrasen College. Weaving oneself to the cultures, flowing in the river of knowledge and human history is requisition for a country's growth in a true sense. Maharaja Agrasen College stands proud to be a part of this exceptional initiative to celebrate and promote the cultural diversity of India.

For notifications and updates regarding Undergraduate (UG) admissions, please visit: **[www.admission.uod.ac.in](http://www.admission.uod.ac.in)**

## ***Admission Procedure***

### ***Step I: Registration on the UG portal.***

All candidates seeking admission to the Undergraduate (UG) courses must register online on the University of Delhi UG Admission Portal [www.admission.uod.ac.in](http://www.admission.uod.ac.in)

### ***Step II: Payment of the registration fees***

The application form will be deemed submitted only when the applicant has paid the relevant registration fee. This fee must be paid only through the link provided through the applicant's Dashboard.

### ***Step III: Declaration of Cut-off***

The University shall declare a minimum of five Cut-Offs. In case there are still some vacant seats left, the University may announce further Cut-Offs. If needed, the University may also conduct special drive(s) to fill vacant seats against unreserved/reserved categories.

### ***Step IV: Selection of Course and College***

Upon declaration of the n-th Cut-Off list, applicants must log in to their Dashboards on the UG admission portal to choose the course and college they wish to claim admission in from the list of colleges and courses they are eligible for. During a cut-off list, the applicant is allowed to choose only one course and one college.

- i. Please note that selection of applicant's college and course can be made only online through their Dashboard on the UG admissions portal. There will be no physical visit to the colleges at this point in the process.
- ii. The procedure for choosing the course and the college by the applicant must be completed within the stipulated time interval.
- iii. Within a cut-off, the applicant will not be allowed to change his/ her choice of course and college.

### ***Step V: Online verification of documents by respective colleges***

The college shall verify the documents uploaded by the applicant for eligibility and meeting the required Cut-Off. Those approved are required to pay the fee and receive a confirmation of their admission.

### **Step VI: Payment of fees to confirm admission**

Once the Principal of the College has approved their admission, the applicants will receive a link on their Dashboard on the UG Admissions portal through which they must submit the college/course fees due. This fee can only be paid online through the portal.

- i. The applicant is advised to pay the fee without delay within 24 hours of admission approval by the Principal of the College and save the acknowledgment slip. On successful payment of fees, the applicant is granted provisional admission to the said college.
- ii. Applicants must pay the fee within the timeframe allocated, failing which it will be concluded that the applicant is not interested in the course of study at that college, and the admission will be automatically cancelled.
- iii. Once the applicant has gained admission, they will have to sign an online declaration stating, "All the information I provided is correct. If any information provided by me is found to be false and/or is not supported by the documents presented by me, I understand that the admission will be immediately cancelled and no fees will be refunded. Furthermore, I shall abide by all the rules and regulations laid down by the University and the College."

### **Step VII: Physical verification of the original documents**

The respective colleges will verify the uploaded documents within the stipulated time (Dates for the same shall be announced by the University / College later). If, at this stage, it is found that the information given by the applicant is false and/or is not supported by the documents presented, the admission will be immediately cancelled. No fees will be refunded in such cases.

### **Process for Change of Course / College in Subsequent Cut-Offs**

If in subsequent lists, the applicant finds themselves eligible for admission to any other colleges/courses, they should ensure their eligibility by carefully examining the eligibility requirements of the Course/College/ Department.

- i. Applicants are advised to exercise extreme care to ensure that they meet the requirements for the Course/College. Once they are confident they wish to cancel admission in the course/college they initially had gained admission to in the previous list; the applicant must log in to the UG Admissions portal to cancel their admission through their Dashboard.
- ii. A cancellation fee will be levied, and they may now choose a new combination of course and college, subject to eligibility and meeting course-specific requirements.
- iii. Only one cancellation is allowed per the Cut-off list. Within a cut off the applicant will not be allowed to change his/ her choice of course and college. The total number of cancellations will be restricted to (n-1), where "n" is the total number of Cut-off Lists.
- iv. Once an applicant has cancelled his/ her admission, he/ she cannot be re-admitted to that course/college automatically. Instead, he/she must undergo the admission process anew, subject to availability of seats and the applicant meeting course-specific eligibility requirements.

Any change in the admission process for Merit-based UG admission will be notified on the website of the University of Delhi. All aspirants must register online as per the procedure and schedule that will be notified on the University of Delhi website ([www.du.ac.in](http://www.du.ac.in)).

AND WHEREAS it is expedient to make provisions for giving effect to the said Convention for protection of women against sexual harassment at workplace. For details, please see the website <http://www.shebox.nic.in/assets/site/main/images/Sexual-Harassment-at-Workplace-Act.pdf>.

### *Internal Complaints Committee*

Maharaja Agrasen College, University of Delhi has a ZERO tolerance policy against sexual harassment. The Mahwaraja Agrasen College Internal Complaints Committee was constituted in 2015 Under section 4 (1) of Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions, Regulation 2015. The committee follows due protocol in redressal of complaints. It works pro-actively towards increasing gender sensitization by organising lectures by Lawyers and other experts to disseminate the finer nuances of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. It also seeks periodic feedback from students and is committed to ensuring a safe environment for girls within the college. It also organises self-defence workshops for girls in collaboration with the Special Unit for Women and Children, Delhi Police.

Students must not hesitate in reaching out to the members of Internal Complaints Committee. The Internal Complaints Committee comprise of the following members.

## ***B. A. Programme***

B.A Programme is a flexible, inter disciplinary and choice based programme to suit the needs and interest of the students. The course aims at imparting the intellectual and communication skills necessary for a successful career in the professional world. The B.A. Programme committee at Maharaja Agrasen College is motivated towards providing opportunities for holistic development of students with academics at the centre. Students enrolling for this course can choose to study from a multitude of subjects ranging from Economics/ Political Science/ History/ Mathematics and OMSP/ Computer Applications/ Hindi/ English. The course is suitable for students of various academic streams and backgrounds. The course curriculum is designed to equip students with skills necessary for employment in the public as well as private sector. The course curriculum is also very helpful for students preparing for competitive examinations as it provides greater choice of subjects and options.

This course is taught by teachers of various backgrounds (eg. Economics, Political Science, History, Hindi, English, Mathematics, Commerce, Computer Science, Sanskrit etc.). This gives an opportunity to students to interact with faculty specializing in different academic subjects. This is also an opportunity for students to acquaint themselves with issues and subjects varying over a wide range in order to enrich their knowledge and understanding. Greater choice of subjects is available to choose from in the papers aiming at enhancing skills of the students for gainful employment. This course provides the diversity and vibrance that leaves the option of specializing in more than one academic subjects at the level of post-graduation open. For the same reason, this course is well suited for students who are interested in going for teaching jobs. No other course offers this kind of variety in options that students can choose from.

LAKSHYA, the society of B.A. Programme students is a very active and lively society of the college. It is a platform for BA Programme students to share and showcase their ideas and talent in various spheres of life. LAKSHYA, the society under the aegis of BA Programme Committee holds many activities round the year. It organises debates, quiz competitions, documentary presentations, lectures, conferences, seminars etc. Besides this, students also have the opportunity to go for educational tours and excursions. B.A. Programme is a very successful course. Students of this programme are very active in various activities at the college and the university level.

B. A. Program BA. Prog. under LOCF is an interdisciplinary and multifaceted programme, it lays the foundation of success for students by equipping them with knowledge and skills in a variety of subjects.

## ***B. A. (Hons.) Business Economics***

The objective of the B.A. (Honours) Business Economics course is to enable students develop analytical skills for effective decision making in the corporate world or equip them with sound theoretical knowledge to pursue higher studies at the Master's level in Business Economics, Economics or Management. In the rapidly changing market scenario, the need is to equip students with skills and capabilities to handle consumer, economic, financial and big data using dynamic modelling techniques. In order to achieve the above-mentioned objectives, a comprehensive syllabus comprising topics relating to economics, quantitative techniques, business and management are included in the three-year, six-semester module of the Bachelor's in Business Economics Course. The syllabus aims at giving wider coverage to its course contents, effective organisation of topics to enable easier assimilation of the same by the students, and a professional touch to the course.

The course exposes students to the areas of finance, marketing, econometrics and start-up skills within which businesses operate. Six discipline elective groups in finance, economics, quantitative techniques, marketing, new ventures and applied economics provide the students a wide array of areas to specialize in.

The department adopts a variety of pedagogical approaches apart from the regular lectures, tutorials, project work and presentations. The department organises industrial seminars and workshops regularly. It encourages students to take up internship in industry and research establishments etc. with the aim of developing their problem-solving, communication and higher-order skills of reasoning and analysis.

The activity calendar of the department in the past years has included an orientation program for the freshers, corporate interactions, workshops on motivation and for developing leadership attributes, soft skills, start-up ideation and funding, business innovation during the pandemic etc. The department organises an 'Industrial colloquium' to impart skills of situation based decision making, trading and optimal utilization of a given budgetary resources.

The Magazine & Newsletter Committee of the department releases an e-newsletter every month. The committee has taken out several successful editions of the news letter called the BEA-Beats. The content of the newsletter includes trending news of the month, review of the events taking place in the department, creative section, alumni connect, etc.

The alumni of the department from diverse fields have addressed and guided the students regarding further education and career options available to them and real challenges in working for the industry and the government.

Entreuzest, the annual flagship event of the department, comprises of various management and economics related activities, seminars, debate which test analytical, managerial, marketing and entrepreneurial skills of student participants with an element of fun.

## ***B. A. (Hons.) English***

The B.A. Honours course in English at Maharaja Agrasen College was introduced in 1997. This is a highly sought-after course and justly so. With an entire panorama of literary texts, contexts and critical tools, it aims to provide students an exposure to a spectrum of global literatures and train them in various methods of literary and socio-cultural analyses. The department has consistently provided opportunities to students for interacting with some of the best minds in the discipline as well as in allied fields. It has systems in place to ensure delivery of quality teaching, transparent mechanisms for internal assessment and structured preparation for University examination as well as orientation for future preparation for diverse fields and professions. To apply research to classroom teaching, an interfaculty lecture series project (ILSP) has been initiated since the session 2020-21. Furthermore, it has a full calendar of activities aimed towards making students connect not just with the literary world but also with the larger world beyond their classroom ambit. The Department has its own departmental library, a growing digital archive, as well as a rich reserve of resource in its Centre for Performing Arts and Cultural Studies (CPACS). The Department of English Co-curricular Student Society, 'ACTIVE', lives up to its name each year by organising, under the guidance of the teachers, many well attended events.

The co-curricular events include the Annual Lecture Series, Literature Festival 'LITERATI', Meet the Author Series, film-making and theatre performance projects by CPACS, various workshops and an excursion to places of cultural interest. Meet the Alumni series is a recent inclusion in this elaborate list of activities. The department also organizes National and International conferences on a regular basis.

The courses under ongoing LOCF scheme have been designed by incorporating inputs from well researched areas worldwide providing these courses clarity of course statements, objectives, facilitating the achievements of course, essential readings, weekly teaching plans and keywords. Besides core courses on literary studies, the framework of the degree also includes courses on skill / ability enhancement, discipline specific electives, generic elective and a wide range of exposure to activities associated with teaching-learning exercises of these courses. To facilitate the achievements of course learning outcomes, the department applies the model of teaching-learning as included in syllabus which clearly demarcates a participatory three pillar approach consisting of 1. Course Learning Outcomes 2. Teaching and Learning Activity and 3. Assessment Tasks. To lay theoretical foundation for the course the emphasis is on understanding concepts, expressing concepts through writing, and demonstrating conceptual and textual understanding in tests and exams. Teaching-learning activity comprises of interactive discussions in small groups in tutorial classes, how to think critically and write with clarity and discussions on exam questions and answering techniques. The assessment tasks include reading material together in small groups, initiating discussion topics, participation in discussions, writing essay length assignments and class tests. The Department, thus is a stimulating, vibrant space, providing ample opportunities for students to explore their potentials and the possibilities made available to them in the intellectual, academic, creative, as well as social arenas.

## बी. ए. (ऑनर्स) हिन्दी

भाषा मनुष्य के व्यक्तित्व का अंग है। इसके अभाव में अभिव्यक्ति और संप्रेषण संभव नहीं हो पाता। हिंदी अपने देश की समृद्ध साहित्य परंपरा की आधारशिला के साथ-साथ विविध भाषाओं के बीच एक पुल भी है। भाषा और साहित्य के इस बहुआयामी पक्ष को हिंदी विभाग अपने विद्यार्थियों के साथ न केवल साझा करता है बल्कि इस संबंध को सुदृढ़ करने के लिए साहित्यिक एवं सांस्कृतिक कार्यक्रमों के माध्यम से इसे जीवंत भी बनाने की कोशिश करता है। इस तरह विद्यार्थियों में सहभागिता के साथ-साथ विषय के प्रति एक समझ भी विकसित होती है।

हिन्दी विभाग अपने सत्रीय पाठ्यक्रमों के अध्ययन-अध्यापन के साथ-साथ सांस्कृतिक एवं सामाजिक क्रियाकलापों में सक्रिय रहता है। बी.ए. (ऑनर्स) हिन्दी के विद्यार्थियों ने अकादमिक तथा व्यवसायिक क्षेत्रों में उच्च सफलता प्राप्त की है। हिन्दी विभाग का लक्ष्य है कि अपने विद्यार्थियों को ज्ञान के चरमोत्कर्ष के रहस्य की व्याख्या करते हुए अपनी संस्कृति एवं सभ्यता, व्यवहार, रोजगार, बाजार की उपलब्धियों के नए आयामों से परिचय कर आगे बढ़ना। ज्ञान के बदलते परिदृश्य में कॉलेजों में दिल्ली विश्वविद्यालय द्वारा चयन आधारित शिक्षा पद्धति लागू की गई है जो मूल्यों एवं अन्तः प्रेरणा पर आधारित है, जो महात्मा गांधी, स्वामी विवेकानंद और डॉ.अम्बेडकर के सिद्धांतों एवं विचारों से प्रेरित है। यह विद्यार्थियों के चरित्र निर्माण में सहायक होगी, जिसके अध्ययन से विद्यार्थी राष्ट्र निर्माण की प्रक्रिया में आने वाली चुनौतियों का सामना करने में सक्षम होंगे।

हिन्दी (ऑनर्स) आज समय की मांग के अनुसार समसामयिक प्रासंगिकताओं की कसौटी पर भी सही ठहरता है। इस पाठ्यक्रम के अंतर्गत पढाए जाने वाले विभिन्न विषय विशेषज्ञता व कार्यकुशलता के साथ अनुसंधान एवं तकनीकी और समसामयिक आवश्यकताओं के अनुरूप शिक्षा प्रक्रिया को आगे बढ़ाने में सहायक होंगे। हिन्दी भाषा और साहित्य का अध्ययन न केवल लोकसेवा, राज्यसेवा एवं कर्मचारी चयन आयोग जैसी प्रतिष्ठित प्रतियोगिता में सफलता का मार्ग प्रशस्त करता है अपितु भारत सरकार के सभी उपक्रमों में हिन्दी अधिकारी, राजभाषा, हिन्दी सहायक, भाषा अनुवादक तथा द्विभाषिया आदि पदों के लिए जीविकोपार्जन के विभिन्न अवसर उपलब्ध कराता है। शिक्षा के प्राथमिक, माध्यमिक एवं उच्च स्तर के अध्ययनों के अतिरिक्त बदलते वैश्विक परिवेश से उत्पन्न चुनौतियों का सामना करने के लिए रेंडियो जॉकी, रिपोर्टर, सम्पादक एवं जनसम्पर्क अधिकारी आदि का अवसर भी प्रदान करता है। हिन्दी निरन्तर विकासवान प्रक्रिया में अपनी सरहद को पार करती हुई वैश्विक मंच पर अपनी सशक्त उपस्थिति दर्ज करा रही है जिसके चलते विश्व के सैकड़ों विश्वविद्यालयों में आज हिन्दी का अध्ययन-अध्यापन हो रहा है।

विभागीय गतिविधियों के क्रम में, प्रथम सत्र के आरंभ में हिंदी विभाग के विद्यार्थियों में से नवचेतना परिषद के सदस्यों को निर्वाचित किया जाता है, जो वर्षभर आयोजित होने वाले विभिन्न विभागीय समारोह, विभाग की शैक्षणिक एवं प्रतियोगितापरक गतिविधियों को सुचारू रूप से संपन्न कराने में अपनी महत्वपूर्ण भूमिका अदा करते हैं। हर वर्ष 14 सितंबर को 'हिंदी दिवस' के उपलक्ष्य में काव्य पाठ, प्रश्नोत्तरी, रचनात्मक लेखन जैसे विषयों पर प्रतियोगिताओं का आयोजन किया जाता है। समय समय पर आयोजित होने वाले कार्यशाला, संगोष्ठी, सत्रीय व्याख्यान से भी विद्यार्थी लाभान्वित होते हैं। संस्कृति कला केंद्र, हिंदी विभाग के द्वारा भी निबंध लेखन प्रतियोगिता, लोक-नृत्य, लोक गीत गायन जैसे कार्यक्रम आयोजित किए जाते हैं। दूसरे सत्र के आरंभ में 'वसंतोत्सव समारोह' में सरस्वती पूजन का आयोजन किया जाता है। हिंदी विभाग 'शिक्षक-विद्यार्थी संवाद' के द्वारा अपने विद्यार्थियों से जुड़ी समस्याओं को साझे संवाद, सुझाव और प्रयासों से निदान करने का समुचित उपाय करता है। अध्ययन-अध्यापन के मध्य इस तरह की सांस्कृतिक-साहित्यिक गतिविधियाँ निश्चय ही विद्यार्थियों के मानस का विस्तार करती हैं और उन्हें सिद्धांत एवं व्यवहार के बीच कड़ी को मजबूत करने के लिए प्रेरित करती हैं।

## ***B. A. (Hons.) Journalism***

The B.A (H) Journalism course aims at foregrounding the role of journalism in a democracy. It helps the students to refine their linguistic and communicative skills while providing an insight into the socio-economic and political dimensions of living in a globalized world.

A host of interesting and practical subjects like the history of journalism and printing, social psyche and mass culture, news making, advertising and public relations are covered in the course to give the student a firm foundation for a competitive industry.

Understanding the importance of practical experiences required in this field, this course has been designed to give maximum exposure to the students and thereby familiarize them with the on-ground skills and abilities required. Another crucial aspect of journalism relies on the community interaction and therefore the department regularly organizes Community Development Programs. Our students visit rural communities and try to understand their problems, opinions and the requisite needs of the societies. Department organizes talks, lectures and symposiums on various issues, which exposes students to the words of eminent achievers in the media industry. Apart from inviting media professional to the college, the students of the college are taken to various media houses to help them in becoming acquainted with the industry, its functioning and requirements.

While the course focuses on journalism and news media, it is no way limited to it. The course provides ample skills to students for varied fields like radio, advertising and public relations, photography, filmmaking, etc. And even in these fields, the course enables the student to choose their interests, be it on-screen or off-screen professions by imparting an ample skill set for both.

Event management is an important aspect of this industry and therefore the Department organizes the annual Journalism Festival 'Yatharth'. The fest is largely organized by the students with the faculty as their guiding light. Department also regularly publishes its much-acclaimed newsletter, 'MAC VOICE'. The entire process of editing and designing is carried out solely by the students, so that they understand the concepts of Journalism from news gathering to circulation while honing their skills for the news media industry.

The course's wide-ranging focus and industrial relevance is characterized by our alumni who have made a name for themselves in across various fields. Our alumni are working across the globe with famed news organisations like Wall Street Journal, Reuters, Al Jazeera, BBC, etc. While Doordarshan, India TV, Zee Media, CNN-News18 Group, NDTV, Republic Media, TV Today Network, etc. are some Indian media organisations where our alumni are proving their mettle.

Apart from broadcast media, MACites have a significant presence in print media too. Pioneer, The Telegraph, The Indian Express and Financial Express, The Hindu and Businessline, The Times of India, Hindustan Times and Hindustan, etc. to name a few.

In addition to this owing to our focus on other forms of media has helped our students to be part of radio stations like Red FM, BBC World Radio, Big FM,

Ishq FM, etc. In the world of films, our students have produced award winning and internationally acclaimed films like Tremors and A Hairy Tale. While also being part of organisations like The Viral Fever, The Screen Patti, The Timeliners, etc. Furthermore, our alumni also have founded organisations like Youth Ki Awaz and The Logical Indian among others while proving themselves to be true entrepreneurs.

Leading advertising agencies like DDB Mudra Group, Mullen Lowe Lintas Group, McCann Erickson India, FCB Ulka Advertising, Schbang Digital Solutions, etc. are also home to many of our alumni. The department regularly organizes interactions of the students with the alumni so that the students understand the fine details of the industries from their seniors.

The department has a state-of-the-art Media Lab for providing practical exposure to the students to make their career in Modern Media Industry with the help of latest technological equipment in all media streams.

## ***B. A. (Hons.) Political Science***

The Political Science department was established in the year 1994. The department offers B.A. (Hons.) in Political Science to students. The department also offers interdisciplinary courses in other departments like B.A. Prog., B.A. (Hons.) Journalism and B.Com (Hons.). The curriculum for Political Science papers in B.A. Prog. is also available on the DU website.

Other departments that offer papers for Political Science students are English, Hindi, Economics and History. There are a total number of twelve faculty members currently employed with the department. The faculty has varied interests across the discipline ranging from Political Theory, Nationalism, Foreign Policy, African Politics, South Asian Politics, Human Rights, Public Administration, Indian Diaspora etc.

'Chanakya' is the Political Science student society of Maharaja Agrasen College that aims at providing services that enable students to develop their full potential and to reach their educational goals. Chanakya society organizes its Annual Fest in the month of September each year where various competitions like Slam Poetry, Political Quiz, Just a Minute, Political Caricature, Funk from Junk which was to encourage students to Make Best out of the Waste, Ek din ka Mantri where participants were given the role of a minister and Drollery-stand-up comedy, poster making, extempore, Multilevel debates, essay writing, mock elections etc. are held to provide a learning atmosphere to the students of the department. All these events helped in overall personality development of the students. Chanakya celebrated Kargil Diwas on 26th July 2021 to honor the sacrifice of the soldiers during Kargil War, by organizing various competitions. 'Vimarsh, the debating society of the Department of Political Science has been active throughout the year in the field of initiating healthy group discussion and round table sessions on various topics of importance. Vimarsh also holds monthly sessions twice every week. This encourages students from different departments to participate in the group discussion as well.

The department organizes Invited Lectures of Resource Persons as part of its Monthly Lecture Series. Some of the lectures held in 2020-21 session were on Indian Federalism, India's Imperatives in its Neighbourhood and Emerging Powers in Post-American World. Seminars on relevant topics are also organised to provide all-round exposure to the department students as well as faculty. These events are a platform where students are actively encouraged to participate and enhance their experience and knowledge. Accordingly, the study of Political Science enables the students to have good knowledge about progressive ideas and revolutionary changes. This makes it easy to take collective decisions in social, economic and political fields. With this purpose a degree in political science prepares our students for many forms of employment as well as further research study. Students gain many analytical and practical skills including the ability to conduct research, oral and written communication and IT, all of which are invaluable in today's employment market which ultimately help them to become IAS, Policy Analyst, Legislative Assistant, Public Relations Specialist, Social Media Manager, Marketing Research Analyst, Political Consultant, Attorney and to work with NGOs.

## ***B. Com. (Hons.)***

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace.

The Commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like business laws, cyber laws, business economics, and e-filing of returns.

Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in entrepreneurship, marketing, green marketing, e-commerce, advertising, insurance, media, school and university teaching, business research, consultancy, law, civil services etc.

The Commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two day annual festival “CRUSADE” for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide.

The Commerce Department has Financial Literacy cell-where you can learn how to invest money, get returns, earn money and how to take care of money; Life Skill Cell-where you can learn skill required for professional life; Meditation and Yoga Cell; Training and Placement Cell-where you can learn employability skills; Alumni Cell and Community Service Cell.

## ***B. Sc. (Hons.) Electronics***

The Department of Electronic Science, Maharaja Agrasen College, a distinguished leader in technical education, offers the undergraduate program, B.Sc.(H) Electronics, where the teaching of applied, hands-on electronics is of the utmost importance. This course is designed to enhance the students' understanding of scientific principles and to further develop their technical skills by hands-on designing and testing of electronic circuits and systems similar to that are used in industry.

The course curriculum is a perfect blend of papers in physics, mathematics, and computer with special emphasis on electronics. Basic concepts of computer modeling and simulation of electronic circuits are an integral part of curriculum. Students are also trained in fundamental computational skills to use techniques and software for simulation, data analysis and visualization more efficiently. Overall, this course is an integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal & systems, communication, optoelectronics, microprocessor, microcontroller, robotics, embedded systems, VLSI design, etc.

This well-structured program enhances student's employability skills and also their ability to articulate these skills. Electronics graduates and post graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Students possessing a scientific temperament, strong back-ground in physics and mathematics; having high acceptance of new technologies and good reasoning abilities are most likely to excel in this field.

The learning outcome-based curriculum framework (LOCF) for B.Sc. (Hons) Electronic Science is envisioned to empower the undergraduate students to get ready for the current challenges presented by industry and equip them with skills pertinent to national and global standards. The framework is designed to assist young minds in competing with international standards and compete globally. This is going to ease the mobility of students/graduates during and after the course completion, nationally as well as internationally. The new B.Sc. (Hons) Electronic Science curriculum offers the undergraduates a complete package to have a thorough understanding of basic to advanced electronics and allied areas with the help of a variety of electives. They can equip themselves with the fundamentals of electronics to a complete skill set compatible with industry 4.0 standards. The exhaustive curriculum will groom them to pursue higher education as well as compete in the job market.

## ***B. Sc. Physical Science***

The course B.Sc. in Physical Science is much sought after on account of its unique curriculum design and job-prospects. The course is designed to suit to the requirements of students willing to pursue master's course in Physics, Mathematics, Computer Applications, Information Technology, Chemistry and other allied subjects. Students are given the option to choose a stream either from Computer Science or Chemistry. The curriculum has also two major components– Physics and Mathematics. Accordingly, two different branches emerge, namely, B.Sc. Physical Science with Computer Science and B.Sc. Physical Science with Chemistry. Also, it has a component of Environmental Science as a compulsory paper. To run the course effectively, the college has provided upgraded infrastructure in terms of Laboratory, Information Communication and Technology (ICT), Workstations, Modern Classrooms. Highly accomplished faculty members are also always available to guide the students pursue their goals.

Besides observing its routine academic schedule, the B.Sc. Physical Science Committee organizes 'Scintilla', an annual fest, every year to provide a forum to students to engage in various activities aimed at their overall development. In addition to that an annual lecture series is conducted by inviting eminent speakers from various fields to enrich student's knowledge and make them aware of research and developments happening in science. All the concerned departments of B.Sc. Physical Science work together to lend guidance and skills that make the students more promising and employable. This is proved by the fact that the students have secured good placements through the central placement process of the College as well as University of Delhi. The course serves as a springboard for careers in the fields of Nanotechnology, Material Science, Electronic Science, Computer applications, Information Technology, Atomic and Nuclear Physics, Finance and Analytics, Chemistry etc.

The Learning Outcomes-based Curriculum Framework (LOCF) for a B. Sc Degree in Physical Sciences is intended to help students to get knowledge in Physics and Mathematics combined with either Chemistry or Computer Science and develop the ability to successfully continue with further studies and research in these areas. In addition, the students will get opportunity to study Environmental Science which is a very useful paper in the current scenario. The framework is designed to equip students with valuable cognitive abilities and skills so that they can meet the requirements of pursuing professional careers or/and higher studies. The curriculum framework attempts to maintain globally competitive standards of achievement in terms of knowledge and skills through scientific orientation, encouraging enquiring spirit and creating problem solving skills. It also allows for innovation in the programme design to adopt latest teaching and assessment methods, to learn skills and tools like laboratory techniques, computational methods, and applied mathematics for finding solutions, interpret results and make meaningful predictions. The course also provides scope for introduction to news areas of knowledge in the fast-evolving subject domains.

## ***B. Sc. Mathematical Sciences***

The Department of Mathematics seeks to intensify the student’s knowledge of mathematical, quantitative, and scientific principles that can apply to various fields of applications and enable them to have an analytical decision making.

The Department at present is offering a course in B. Sc. Programme in Mathematical Sciences which is a perfect blending of Mathematics, Statistics, Operational Research, and Computer Science. The main motto of the course is to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical, and analytical thinking.

This well-structured programme enhances student’s employability skills and also their ability to articulate these skills. Today, careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. The study of this course shall be of immense help for students planning a career in Management Science, Computer Science, Operational Research, Mathematics, and several others. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences. We also conduct workshops to enhance skills helpful in securing better avenues in the highly demanding job market.

Careers in data science are in high demand, and thus the need for persons having knowledge of Mathematics, Statistics, Operational Research, and Computer Science can only multiply. In today’s world of digitization, this program provides the students an opportunity to get job which can be termed as the “dream job” of the next decade.

The study of this course shall be of immense help for students planning a career in industry, actuarial sciences, Management Science, IT Industries, Software Developer as well as for further studies in finance and business statistics. The department organizes several lectures to provide exposure to students about the latest development in the Mathematical Sciences. ## ATTENDANCE

1. All courses taught in the college shall be taught in the Semester System as per University of Delhi Guidelines and Curricula.
2. According to Ordinance VII (2)\* of the University of Delhi, a candidate for the Semester I/III/V Examination shall not be deemed to have satisfied the required conditions of attendance unless s/he has attended, in all the subjects taken together, not less than two thirds of the lectures/practical/presentations/tutorials required to be attended provided that a student of the Semester I/III/V who does not fulfil the required conditions of attendance, as above, but has attended, in all the subjects taken together, not less than 40 percent of lectures/practical/presentations during the respective semester, may at the discretion of the Principal of the College concerned, appear for the ensuing semester Examination; but such a candidate shall be required to make up the deficiency at lectures and practical, in the next semester of the same academic year.
3. Provided that a student of the II/IV semester who does not fulfill the required conditions of attendance as above, but has attended in all the subjects taken together, not less than 40 per cent of the lectures/practical/presentation/tutorials, held during the respective semester, may at the discretion of the Principal of the College concerned, be allowed to appear in the ensuing examination provided that s/he makes up the deficiency of the said attendance by combining the attendance of the previous semester in the ensuing semester.
4. The assessment marks for attendance are assigned as per the following guidelines:  
Less than 67% (0 Mark), More than 67% but less than 70% (1 Mark), More than 70% but less than 75% (2 Marks), More than 75% but less than 80% (3 Marks), More than 80% but less than 85% (4 Marks), More than 85% (5 Marks).
