PRINCIPAL'S MESSAGE

Prof. Sanjeev Kumar Tiwari
PRINCIPAL

The Training & Placement Cell laid its foundation with the aim to make Maharaja Agrasen College, the center of excellence in the region. The advancement of technology has revolutionized our lives. It demands the ability to learn, unlearn and relearn things. At the same time, it has broadened the scope and redefined trends in the field of education and jobs. The team plays a great role in creating an environment exceptionally favourable for building solid foundation of knowledge, communication skills, soft skills, personality development, self-discipline and enhancement of creativity through motivation and drive, which helps to produce professionals well trained for the afflictions of life.

The Training and Placement Cell acts as a bridge between the industry and institution to bring in various placements, internships and training programs for students. Students have found Maharaja Agrasen College to be an effective launching platform. The skills of our students have been appreciated at various campus drives and we have achieved excellent placements. Our students have gained placements to some of the world's best companies. Many students are doing well in higher studies at different universities.

I congratulate all the faculty members of the Training and Placement Cell who mentored a great team of students from different streams and have put in humongous efforts in order to achieve new heights. MAC is adorned with distinguished faculty members, visiting faculty and dignitaries from various fields to provide individual guidance and counselling through seminars and workshops. They generate awareness in students regarding future career options available to them. Their guidelines and vision mould students to build international standards. This not just motivates and inspires students for their future endeavours but also ignites in them a sense of leadership.

I wish the entire team and all the students benefiting from the cell lots of success for their future.

COORDINATOR'S MESSAGE

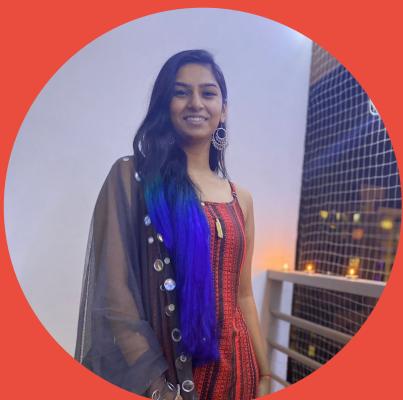

Dr. Sachin Kumar Tawra
COORDINATOR

Maharaja Agrasen College believes that the purpose of education is the holistic development of an individual and the Training and Placement Cell imbibes it in the students. The team has done a commendable job and achieved new heights through its constant hard work. Training and Placement activities are organized throughout the year with a view to preparing the students to appear in the recruitment process with skills and confidence. Cell's mission is to make students professionally competent and to do so Training and Placement Cell puts in intensive efforts from students backed by great faculty support. Cell shares a wonderful relationship with recruiters as they continue to seek assistance in various projects where our students participate actively. We always fulfil the expectations of our recruiters as well as our students and we hope to keep doing so in the coming years as well.

Training and Placement Cell not just acts as a bridge between the recruiters and deserving students of the college, but it also trains and tests the managerial, leadership, and communication skills of the students working for it. Working for the cell instills in students self-belief and confidence when they manage everything on their own, including contacting companies, organizing seminars and workshops, managing operations, and ensuring the social media presence. The TPC provides students with a training ground to master teamwork and leadership ability through hands-on experience.

I appreciate the efforts put in by the student body of the team, especially Khushi Bansal - President, the student body. Also, the Vice presidents of the student body, along with the core members and other team members did a commendable job. I also express my heartfelt gratitude to our Principal Dr. Sanjeev Kumar Tiwari, for his constant support and guidance. I am also thankful to the faculty members of the Cell for their involvement and guidance in the cell and for making it yet another successful and fruitful year for all of us.

PRESIDENT'S MESSAGE

Khushi Bansal
PRESIDENT

I am honored to lead Training and Placement Cell, Maharaja Agrasen College, University of Delhi this year. We are a strong and vital cell focused on being the go-to professional resource. With the extent support of our teacher coordinator, Dr. Sachin Tawra and a dedicated and strong group of volunteers make this all possible.

Each year, we provide training to many students of our college and a good number of placements. I have always been impressed by the quality and diversity of our functioning. And now with our increased focus on growing our network, we provide the students with more opportunities to learn from.

With this leadership position I swore allegiance to put my best efforts to bring forth the finest opportunities. I worked hard to bring about a change in the placement scenario of my college by continual endeavours to encourage students participation, which I believe is the utmost quintessence of this cell. The year 2021-22 was all about enterprise, ingenuity and tangible outputs that made me learn a lot. Challenges are an essence of a leadership position but I believe in persistence with experimentations to achieve the occasions. I will start by encouraging and helping them to gain required skills for the process ahead. It will be a challenge, which my team accepted with utmost positivity and worked painstakingly to achieve the ultimate target.

All of the cell's work is focused on enriching your experience as members, so we are always open to feedback on our current activities and how we can better serve the students.

WORKSHOPS

Training and Placement Cell aims to make the students skillful and competent for the professional world waiting for them out there. We analyze and understand the needs of our students and bring in various workshops and sessions by experienced and prominent speakers. Following are the workshops that took place this year :

1. Workshop on Entrepreneurship

Looking at the craving of Gen Z to attain freedom from 9 to 5; the Training and Placement Cell of Maharaja Agrasen College organized a virtual workshop on the topic "Entrepreneurship" on 12th August 2021 under the mentorship of Dr Amit Tuteja on 12th August 2021. The webinar gave a lot of insights to the real meaning of entrepreneurship which not only means that one needs to make a business stand but rather making it a way of problem solving in real time.

2. Development of Automated Characterization Systems for Electronic Devices

Prof Chetan J Panchal exchanged his enormous insights in this field with the students of Maharaja Agrasen College, University of Delhi on 23rd February 2022. The workshop titled “Development of Automated Characterization Systems for Electronic Devices” was a big success in terms of both participation and quality of knowledge provided. The Technical talk was technically sponsored by IEEE EDS Delhi Chapter. This Technical Lecture Talk was based on Automated Characterization Systems, in the talk, the speaker explained the role of automated systems in the characterization of electronic devices.

3. Profile building workshop

The Training and Placement Cell of Maharaja Agrasen College organized a profile building workshop intending to make the career path clear. Mr Satish Anand took over the college campus on 31st march 2022. Before telling about the right career paths, he let the students know about the importance of choosing the right path. He continued by breaking myths related to the popular exams and institutions not only in India but also those abroad.

4. Workshop on Interview Preparation

On 15 January 2022, Mr Satyam Khandelwal was invited to make the students aware of one of the toughest problems that the students face after graduation and that is, preparing for interviews. The students participated in large numbers both online and offline and were amazed by the information shared. The quality of the webinar was well assured, after all, Mr Satyam is a Career Growth Expert & Soft Skills Trainer. He is the founder of Mindful Career Growth Hub. An MBA by education, Satyam helps students, graduates & young working professionals identify their passion & make a successful career aligning with that.

He has mentored over 5000 students & professionals & have been invited to speak at esteemed institutions like Symbiosis International University, IIT Chennai, IIM Raipur, FMS Delhi, IBS Hyderabad, IMT Ghaziabad & so on. Starting with Principal Sir's wise words and ending with the N number of new questions and comments that students had after understanding the basics, this workshop was one of the best of all times.
