MESSAGE

I am extremely happy to be associated with Maharaja Agrasen College as Chairman of the Governing Body of college. It gives me great pleasure to welcome the new batch of students to the academic and social life of this institution.

Maharaja Agrasen College is ranked amongst the best colleges of India, and has been accredited with 'A' grade by NAAC. The college is well known in the country for its commitment to excellence in higher education, and discipline and integrity among the students and staff. Besides academic achievements, the college has set high standards in theatre, sports, journalism and other co-curricular activities.

There is a whole new world of opportunities in social work, internship, and entrepreneurship waiting to be explored through diverse activities available to the students in the college. The college has bagged many laurels in recent times mainly due to the enthusiasm and energy of its students and staff, and the vision and dynamic leadership of the management team.

Over the years, the college has grown to be an inspiration for thousands of students who come back to share their stories of successes & achievements with their *Alma mater*. I believe that in the years to come Maharaja Agrasen College will keep pace with far reaching reforms underway in the field of higher education in the country and scale new heights as an academic institution of national repute.

I wish the college, its vibrant faculty and all the spirited students my heartiest wishes for the exciting years ahead.

(Jugsharan Singh Viridi)

It gives me great pleasure to welcome prospective students to Maharaja Agrasen College that strives to provide a pleasant and stimulating academic environment for all the students.

Learning in college presupposes high degree of integrity, mindfulness, cooperation, open-mindedness and hard work for a bright future and good image of the students and the institution. Students of Maharaja Agrasen College are encouraged to live in harmony, alike one community, offering each other a helping hand whenever required. Mutual cooperation is essential to make college life a rich and fruitful experience.

College life is a coming together of diverse cultures and different upbringings, which blends into a harmony for a rich and memorable learning experience. We provide atmosphere where students can learn, laugh and live to the fullest. Students are encouraged to participate in so many cultural and social activities round the year. Sports, music, dramatics and literary events are organized from throughout the academic session.

At Maharaja Agrasen College we not only make efforts to provide the students an open and creative academic environment, but also helps them to live in discipline. We understand discipline is the key to success and career building, hence we promote self-discipline among students. It is the highest obligation & responsibility of all students that they must keep the common interests and good in mind and refrain themselves to be part of any unlawful act including ragging to avoid any severe disciplinary action.

My warm wishes are with you for your outstanding academic careers.

Ever since its establishment in 1994, Maharaja Agrasen College has undergone a process of continual evolution and growth. Within a brief span of 22 years, the college has earned nationwide recognition and it is matter of proud privilege for us that the college has consistently figured in the surveys of the best colleges in the country for the past four years. In the latest survey of India's best colleges conducted by India Today and Nielson Company, Maharaja Agrasen College has secured the 22nd rank. The college has also been accredited "A" by NAAC. It has won the first prize in the competitive category of College with Good Practices at 'Antardhvani 2013', the Annual Cultural Festival of the University of Delhi. In terms of infrastructure and facilities, the college has come a long way from the small school building of Mayur Vihar I where it walked its first steps, to the modern, newly constructed and spacious building complex sprawling over ten acres in Vasundhara Enclave.

The new college campus has the latest infrastructure in place in terms of both facilities and furnishings. It boasts of invaluable infrastructural assets like state-of-the-art auditorium, conference hall, a computer Centre, a computerised library, well equipped laboratories, etc. The classrooms are well-lit, ventilated, spacious and fitted with modern desk units with white boards and projectors to expedite the process of education.

Maharaja Agrasen College is a teaching-learning community with a competent and dedicated team of faculty members and administrative staff. Facilities like Information and Technology Centre, Media Centre, Centre for Civic Education, Centre for Performing Arts and Cultural Studies help in the holistic development of the students. The Dr A.P.J. Abdul Kalam Centre for research is a recent addition which aims to encourage research accomplishments amongst students and faculty members. The college is sensitive about its responsibility towards society and has been sincerely doing multiple efforts for students coming from the weaker sections of our social structure. Besides these, the college is also a Centre for Indira Gandhi National Open University (IGNOU) and Non-Collegiate Women's Education Board (NCWEB).

The institution believes that the path to individual and collective growth lies in its capability to adapt and accept changes as opportunities. And Maharaja Agrasen college is that vibrant place for the students to express, explore themselves and maximize the opportunities of changing times for an empowered and inclusive development. It inculcates the values of hard work and diligence amongst its students and staff, empowering them to turn challenges into opportunities for a brilliant future. The college community aims at nothing less than being the best and shall continue in its spirit to scale greater heights, and in its efforts to provide the best facilities to the students and staff, it aims to actualize their potentialities.

Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been **Accredited** with a **CGPA of 3.02** on a seven point scale at **A Grade** valid for a period of five years from 16/09/2016. The result is already uploaded on NAAC website. The original certificate of accreditation with the quality profile will be dispatched to the institution in due course. I am sure that the detailed peer team report handed over to you during the exit meeting along with the quality profile will enable the institution to initiate further quality enhancement measures.

As per the new guidelines of NAAC, it is mandatory for institutions to retain the Self-Study Report (SSR) uploaded on the institutional website for A&A by NAAC until the completion of validity period of A&A. The SSR should not be password protected and accessible to all the stakeholders. Institutions are also requested to take note of the mandatory requirement of submitting Annual Quality Assurance Report (AQAR) and uploading them on the institutional website on regular basis. Failing to submit the AQARs annually, institutions will not be eligible for the next cycle of accreditation. For details on the revised guidelines, please visit our website: www.naac.gov.in from time to time.

With best wishes,

Yours sincerely,

(D. P. Singh)

Library

At MAC, the Library is a holistic space to further augment our intellectual acumen. Housed on two floors, it is well furnished with comfortable chairs and tables for students and teachers. It is well stocked with books, magazines, periodicals and journals to enhance and extend the process of learning. Modern racks are fitted to facilitate book storage and browsing. The entire library is Wi-Fi enabled to allow students access to the internet for their academic development.

ICT Centre

The Centre caters to the curriculum requirements of computer practical for various courses of study in the college. Alongside, the centre also runs a dedicated general purpose computer lab where faculty, students and staff can utilize computing facilities at their convenience. The general purpose lab provides a heterogeneous environment with Windows 7, Mac OS X and Linux Operating System. The Centre also provides a secure Wi-Fi network to all the students, staff and faculty members of the college.

Media Centre

The college has a fully functional Media Centre with high definition equipment and in-house professional expertise in order to impart pre-production and post-production training to students of Journalism. Besides, it is also used for film screenings, short film making workshops and conducting seminars and conferences on different aspects of media studies and journalism.

Sardar Vallabhbhai Patel Auditorium

The high tech auditorium is housed in a separate complex spread over three floors. It has the capacity to accommodate 700 students. Named after the Iron Man of India Sardar Vallabhbhai Patel, the auditorium is the hub of all cultural and extra-curricular activities at the college. The auditorium witnessed several high-profile events such as Swami Vivekanand Memorial Annual Lecture, Sardar Vallabhbhai Patel Memorial Annual Lecture, Dr. APJ Abdul Kalam Popular Science Lecture Series, 'YUVAAN' the annual cultural fest of the college, several SPIC MACAY performances by International artists notably Polish music and dance artists and Italian Band 'Kora Beat' etc. Prominent dignitaries who addressed the students include Hon'ble Governor of Gujarat Shri O P Kohli, Hon'ble Deputy Chief Minister of the Government of NCT of Delhi Shri Manish Sisodia, Hon'ble Minister for Culture of the Government of India Dr. Mahesh Sharma, Hon'ble Minister of state for HRD Shri Upendra Kushwaha, Hon'ble Minister for Culture of the Government of NCT of Delhi Shri Kapil Mishra, Lt. The ultra-modern Conference Room of the College has an excellent sound system, overhead projector and other facilities. The conference room has enabled successful hosting of International Conferences, National Conferences and Students Congress along with facilitating student presentations as a matter of course. The Conference Room was the venue for National Conferences on *Reading Migrations: Fractured Histories, Forged Narratives, City Lives: Spaces and Narratives*, National Conferences on *Student Driven Research for Inspired Learning in Science and Technology*, National Conferences on *India's Changing Role in the New World Order*, National Conferences on *Corporate Social Responsibility: Sports, Olympism and Global Peace*, National Conferences on *Biodiversity and*

Climate Change, National Conferences on *Media Literacy: Progression and Challenges in Developing Countries*, National Student Academic Congress was also proudly hosted by the college in the previous academic session.

Girls' Hostel

In any institution, a residential accommodation for students, especially girls, is always an asset. 'Vidyottama' the Girls' Hostel of Maharaj Agrasen College can accommodate around fifty (50) students on its three floors and has separate areas for dining and common room on the ground floor. Besides, a pantry has been provided on each floor. The Hostel is fitted with several amenities like television, washing machine, water heaters, ironing facilities, electric stove etc. The hostel is Wi-Fi enabled and computers are available for the use of the residents.

Admissions to the hostel take place strictly on the basis of merit. Interested outstation girl students should keep visiting college website for information regarding admission to the hostel and other queries.

Sports Facilities

Maharaja Agrasen College provides diverse sports facilities with coaching and support to its students to participate in competitions as well as to pursue interest in sports. The college provides training in Athletics, Archery, Basketball, Badminton, Chess, Cricket, Cycling, Soccer, Korfball, Softball, Volley Ball and

Wushu. The Sports Committee of the college, in charge of supervising sports activities, organizes various sports and adventure activities regularly for the students, Teaching Staff and Non-Teaching Staff. The college also organizes its Annual Sports Festival, 'SPARDHA', where inter college sports competitions are held.

With the aim of encouraging the concept of physical fitness among the students and staff-members, the College has a well-equipped gym (MAC-Wellness Centre) with some of the best exercising machines. The gym is accessible to all students and staff-members in the morning hours with an added advantage to the hostel students, since they can access the gym even during the evening. Students may take out time to make the most of the gym facility and burn extra calories for overall fitness.

National Service Scheme (NSS)

NSS, ever since its inception in the year 2013 has been working towards the holistic development of the students. Keeping in view the motto 'Not Me But You' - an idea which dates back to the times of Mahatma Gandhi who insisted upon social responsibility, the volunteers registered in NSS unit render community service both inside and outside the college premises. This community service enhances leadership, organizational and management skills among the students. MAC-NSS allows the students to gain perspective on understanding the association of an individual to one's community and hence develop competence in sharing of responsibilities among a larger group.

MAC - NSS volunteers generally work in the college in various research projects, on innovative ideas, with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic year.

Few of the ongoing projects are:

Project ABHI (Agrasen Baroji Help Initiative) : Maharaja Agrasen College has adopted a village, BAROJI, in the district Mewat of the state Haryana, in the year 2013 from development perspective.

'Tassavur' the Art and Photography Club as the name suggests encourages interest in all aspects of arts and photography for the benefit of learning community of University of Delhi and colleges and the community at large.

Equal Opportunity Cell: This platform of MAC-NSS supports differently-abled, SC/ST members and students from economically weaker sections of its learning community.

Pedal Power Club seeks to maintain physical fitness, explore the great heritage sites of New Delhi and NCR and become more sustainable by decreasing one's environmental impact.

In Agrani young learners are mobilized, supported to advance gender equality and women development.

Linked Learning, a program of learning that is socially connected, and interest - driven ideas ensures interdisciplinary research opportunities.

The Cell also time to time looks into the needs and grievances of these students. One of the dealing staff is also available in the administrative block to cater to various queries of these students. The Cell has been functioning in the supervision of the Liaison Officer SC/ ST and OBC.

NCWEB

The Non-Collegiate Women's Education Board (NCWEB) teaching Centre at Maharaja Agrasen College is trying its best to tap the potential of its students and provide them with opportunities so that they can build their character and career and contribute in the process of nation-building. It aims that the girl students of the surrounding areas to receive quality education and earn the prestigious degree from the University of Delhi.

Centre for Performing Arts and Cultural Studies

The Centre for Performing Arts and Cultural Studies (CPACS) run by English Department of Maharaja Agrasen College seeks to promote performing arts and performance and cultural studies through its focus on image, direction, film, censorship, script, multimedia, narrative, play, intelligence, creativity and other related areas. The Centre has also established a cell called LETTER (Learn through Theatre) which held 32 sessions with 40 students of first year in previous year on personality development through theatre exercises leading to their review of physical and cognitive development.

Sanskriti Kala Kendra

The Hindi Department has started with a Sanskriti Kala Kendra with the aim of the overall development of the students. Besides giving them bookish knowledge, the centre focuses to inculcate cultural and moral values among students. Maharaja Agrasen College has initiated a long-term educational and cultural exchange program with Tokyo University of Foreign Studies, Tokyo, Japan. Twenty one students accompanied by faculty members visited Maharaja Agrasen College on 22nd February 2016 and later visited Agra and Amritsar. The students and faculty were from the Department of South Asian Studies and Social Education Centre for World Languages, Tokyo University. The Japanese students and faculty appreciated the diversity of Indian Culture and Languages and expressed keen interest in the different subjects of study in the University of Delhi.

Civic Education Centre

The Centre aims for effective promotion of commitment to the Constitution of India and good citizenship in the capital and the country through education. The project is funded by the Government of NCT of Delhi and translates student and teacher materials in Hindi. It initiates and sustains the "Leadership Development Camp" and several such activities in Delhi. In order to create a cadre of ideal educators, the Centre develops and implements Teacher Training Programmes on Civic Education. Creating and implementing Monitoring and Evaluation Mechanisms, publishing research related materials,

developing standards and curriculum framework and the implementation of Leadership and Network Training Programmes are some of the goals which have been taken up by the Centre to promote Civic Education in India. The Centre plans to develop and sustain its relationship with other stakeholders – namely the Department of Education, colleges, schools, homes and local government officials – to strengthen civic values in India.

Training and Placement Cell

The Placement Cell at Maharaja Agrasen College is dedicated towards giving its students opportunities to build their career before they have crossed the threshold of the college. The Placement Cell coordinates with the Central Placement Cell of the University of Delhi and conducts Placement drives wherein different established companies like Tata Power Delhi Distribution, SP Capital IQ, Accenture, Anhad Edutrain Solutions Pvt Ltd, Urban Clap-Talocity, Digital Web Solutions Pvt Ltd etc., take part for student recruitments. The cell has tied up with Times of India, Indian Railways, Leo Burnett, Macmillian and other such institutions to provide internship opportunities for the students. The cell also organizes workshops and training programmes in order to help students develop their personalities and learn better skills to ensure employability in the competitive job market. It is the mission of the T&P cell to strive to bring in more and more recruiters in order to facilitate maximum placements from the college and establish a benchmark in this righteous pursuit.

College Publications

The academic community of the college is alive to the need of bringing out in house publications as well. The college publishes research journal '**The Indian Journal of Social Enquiry**' which has earned a pride of place in the annals of research journals in the country. The Department of Business Economics brings out its annual journal '**BEAM**' which gives the students an opportunity to publish and showcase their knowledge and throws light on current business developments. The Department of Journalism regularly published its newsletter '**MAC VOICE**'. The entire process of editing and designing is carried out solely by the students, so that they can understand the concept of Journalism from the news gathering to its circulation. '**AGRANIKA**', the college magazine, mirrors the spirit of Maharaja Agrasen College community. It is a canvas for expressing creativity and exists as a record of college life for a session. It is published annually and is released on the Annual Day in the College.

Environmental Clubs

MAC INSERCH (Maharaja Agrasen College Initiative for Shouldering Ecological Responsibility and Conserving Heritage) is an initiative by the students, teachers and administrative staff of the College who are committed to the cause of environmental and heritage conservation and development. It is led by a strong team of over 25 teaching and administrative staff and 50 student volunteers who incessantly work round the year for the realization of the stated objectives of the club.

This initiative was started in 2011 and in a span of six years, it has made a significant difference in the environmental life of the college by way of planting trees, organizing poster making and best out of the waste competitions, Soup and Salad Party in order to promote organicism, five National Conferences on Biodiversity and Climate Change, conducting Tree Audit for the College, various energy conservation measures and visit to various places of historic interest and ecological importance.

Students can join this movement and contribute a lot by becoming volunteers who would be suitably rewarded at the end of the academic session with commendation certificates and prizes. A Green Gown Award for the best student volunteer is also being instituted from the current academic session.

Trishul Adventure Club

Trishul Adventure Club of Maharaja Agrasen College is named after a group of three Himalayan Mountain Peaks which resemble a Trishul. Challenging experiences helps the students promote the development of inner balance, essential for effective communication, solving problem and decision making skills. The students also learn to keep the mountains clean as it is by not littering anything on their way. Participant's horizons are broadened, new challenges come to be relished rather than shunned, perseverance and determination reinforced. Values and attitudes developed in context of shared endeavor help to form a sound basis for responsible citizen. Trust, care, tolerance and willingness to give and support are all encouraged and anti-social behavior is challenged. Opportunities are presented to exhibit and develop effective inter-

personal behavior and to work co-operatively and effectively in teams. The experiences in the mountains far from busy city life helps the students to understand more deeply about the importance of clean and healthy nature. Trishul Adventure Club had a path breaking Kuari Pass Trek in April, 2017 with a team of twenty five which built a strong foundation for more adventure activities in the College. The club organizes a trek from time to time to imprint such good experiences in their life.

Dr APJ Abdul Kalam Research Centre

Dr APJ Abdul Kalam Research Centre is the latest addition in the initiatives taken up by the college. The Centre strives to prepare our students for future competencies and equip them with state-of-the-art infrastructural facilities and able guidance. It serves as a one stop space for nurturing the fresh innovative ideas from students/faculties into a well-defined research or practice or a start-up initiative. The Centre aims to provide round the clock infrastructural and IT support as well as brainstorming sessions with faculty/industry persons to refine the naïve ideas and may provide financial support to selected ventures. The college in the past academic session has successfully completed 10 innovation projects. Maharaja Agrasen College manages different projects under Star Innovation Project scheme and Innovation Project Scheme, which are fully funded by the University of Delhi. The details of these projects are as follow:

Star Innovation Projects(SIP): A number of research projects have been initiated under Star Innovation Project. These projects are student-centric research activities under guidance of teachers from different departments and are of three years duration.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) was set up in Maharaja Agrasen College, University of Delhi on October 3, 2015 in response to the latest set of guidelines laid down by NAAC for the setting up of the Internal Quality Assurance Cell in higher institutions. The IQAC 2016-17 comprises of the Principal as Chairperson and Dr Maneesha as the Coordinator along with teachers-in-charge, alumni members and representatives from industry. The MAC-IQAC is committed towards enhancing the academic and research environment of the college. In 2015-16, the IQAC had initiated a proactive and meaningful dialogue with all stakeholders of the institute by organizing interdisciplinary workshops, Friday faculty Research Seminar Series and a Seminar on “Practising Quality Culture in Institutions of Higher Education” in the year 2016. A debate ‘Shiksha Vyavastha Ka Uddeshya Gunvatta moolyon par aadharit ho?’ on Quality Culture was organized by the Department of Hindi under the aegis of its Navchetna Parishad and the key theme of the 4th National Student’s Academic Congress was on “Quality Assurance in Higher Education” in which around 45 papers from undergraduate and graduate students, and PhD research scholars were presented on different broad aspects of Quality Assurance for example: Quality Assurance: India and the World, Interface with Technology & Technical Information, and Public-Private Partnerships.

Apart from the above, the Institute has initiated periodical result analysis by the departments followed by remedial measures, has brought in reforms in the conduct of examinations and is committed to raising the bar of quality education. Furthermore, feedback from students is now regularly elicited both in matters of administration and academics. Student feedback after a conference or special talk organized by a department helps departments plan their academic and co-curricular activities to offer a holistic development. Students are the foundation of the institution and their needs and aspirations are factored not only in academic planning but also in administrative reforms.

Departments plan their academic calendar much in advance and ensure that all co-curricular and extra-curricular activities are in tandem with teaching, they are now scheduled for the second half of the semester, during the second half of the week/day. This ensures uninterrupted teaching and timely completion of syllabi. Several suggestions by the NAAC Peer Team are also in the process of being implemented such as ERP solutions (Student Management System) in order to smoothen the interface between the college and all stakeholders, implementing the Choice Based Credit System in both letter and spirit and introducing add on courses.

The MAC IQAC believes in a participatory approach, in engaging all stakeholders in its endeavor to help the institute evolve constantly. Students, parents and alumni are encouraged to give their suggestions, to proactively help to take MAC to greater heights.

Procedure for calculation of 'Best Four' subjects percentage

Honours Programmes

I. Arts/ Humanities Programmes

- One Language (Core/ Elective/ Functional)
- The subject in which admission is sought (If a Applicant does not include the concerned subject whether studied or not, in 'Best Four' in which he/she is seeking admission in the honours programme, then a deduction of 2.5% will be imposed on the calculated 'Best Four' percentage). For Honours in languages refer to point 12, also.
- Any two other academic/ elective subjects as per LIST-A.

Note:

- If a Applicant doesn't include the subjects given in LIST A in 'Best Four', then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating 'Best Four'.
- All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. *In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of 'Best Four'.*

LIST-A

The following Discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective.

Arabic	English	Italian	Punjabi	Accountancy
Bengali	French	Legal Studies	Psychology	
Botany	Geography	Mathematics	Sanskrit	
Biology/ Biotechnology	Geology	Music	Sociology	
Chemistry	German	Persian	Spanish	
Commerce*	Hindi	Philosophy	Statistics	
Computer Science/ Informatics Practices	History	Physics	Urdu	
Economics	Home Science	Political Science	Zoology	

Basis of calculation of Best Four

1. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (Hons.) Journalism (Hindi/ English).
2. In case an applicant has studied elective and core languages, the core language subject will be treated as language, while elective language can be considered as academic/ elective subject.
3. Admission to B.A. (Hons.) Applied Psychology will be based on 'Best Four' percentage as in B.A. (Hons.) Psychology.
4. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on 'Best Four' percentage including one language and three academic/elective subjects as per the above procedure.
5. The applicants must have studied and passed Mathematics at the qualifying exam for admission to B.A. (Honours) in Economics.
6. (a) For admission to Honours in any language programme, advantage of 2% in the 'Best Four' percentage will be given to those applicants who have studied that particular elective language.
(b) In case, an applicant has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on 'Best Four' percentage.
(c) For admission to Honours in English and Hindi, the applicant must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of 'Best Four' percentage.
7. University may define any other relevant subjects as an academic/ elective for a particular Honours programme.

II. B. Com. (Hons):

- a. One Language from Part 1 of List C1 + three best subjects out of Part 2 of List C1.

OR

One Language from Part 1 of List C1 + any combination of subjects out of Part 2 of List C1, List C2 or any other subject (not listed either in List C1 or List C2). In such a case, the deduction of marks from aggregate percentage of 'Best Four' shall be as follows:

- b. For every subject included from List C2, a deduction of one percent in aggregate percentage of 'Best Four';
- c. For every other subject (not listed either in List C1 or List C2), a deduction of 2.5% per subject in aggregate percentage of 'Best Four'.

Note:

- i. All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of examination. In case the subject to be considered does not have at least 70% theory component, then the marks obtained in theory and practical shall be converted to 70% and 30% respectively, on pro rata basis. The marks so arrived at will then be considered for calculation of 'Best Four'.
- ii. The applicant must have studied and passed Mathematics/Business Mathematics at the qualifying examination for admission to B. Com. (Hons.).
- iii. The computation of 'best four' subjects in the above framework should lead to an effective and unique 'best four' which would be higher than any other combination of 'best four' subjects.

LIST C1 – List of Core Subjects for B.Com. (Hons.)/B.Com.

PART 1 (Language)	PART 2 (Core Subjects)
English	Mathematics
Hindi	Accountancy
	Business Studies / Commerce
	Economics

LIST C2 – ADDITIONAL LIST of Subjects for B. Com. (Hons.)/ B.Com.

Botany	Geography	Philosophy	Statistics
Business Mathematics	Geology	Physics	Zoology
Biology/Biotechnology	History	Political Science	
Chemistry	Home Science	Psychology	
Computer Science/Informatics Practices	Legal Studies	Sociology	

Marks in physics/chemistry/biology papers should be in ratio of 70: 30 (theory: practical), otherwise, marks calculated on pro rata basis will be considered.

III. B.A. Programme:

- a. One Language (Core/Elective/Functional)
- b. Any three elective subjects can be chosen. A deduction of upto 5% on 'Best Four' percentage may be imposed if there is a change of stream, which means either from Commerce stream to Arts/Humanities/Social Sciences or from Science stream to Arts/Humanities/Social Sciences..
- c. One non-listed (LIST A of 0) subject can be included in calculation of 'Best Four' without any deduction.
- d. For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and upto two vocational subjects which are in relationship with the programme of study may be included for the calculation of 'Best Four'.
- e. If an applicant opts for Modern Indian Language (MIL) (Except Hindi) as a subject, an advantage of up to 10% may be given in 'Best Four' in those colleges where MIL is offered as a subject.

Note:

- i. The college will notify the actual deduction upto 5% for change of stream beforehand by uploading on their web site. Student are advised to visit college website www.mac.du.ac.in for detailed information.
- ii. If more than one non-listed subject is included for calculation of 'Best Four', a deduction of 2.5% each in 'Best Four' may be levied in addition to deduction due to change of stream, if any.
- iii. All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. *In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on pro rata basis. These new marks will then be considered for calculation of 'Best Four' in addition to Note (i).*

IV. Science Programmes

- The Basis of Selection for Mathematical Sciences is listed in **Section 5.3** of University bulletin. (i.e. Selection will be made on the basis of best four academic subjects including One Language, Mathematics, Physics, Chemistry / Computer Science / Informatics Practices. The students of other streams: one Language, Mathematics with two Academic Subjects List (LIST A) with a deduction of 2%.) All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of examination. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on pro rata basis. These new marks will then be considered for calculation of PCM/PCB etc.
- For BSc (H) Electronics, Selection will be made on the basis of marks in the aggregate of 3 Science subjects as mentioned in column 3 of University bulletin for each Honours Programme

DEPARTMENT OF ENGLISH

Dr. Geetanjali Chawla
Teacher In Charge

“ Literature is the one place in any society where, within the secrecy of our own heads, we can hear voices talking about everything in every possible way. - Salman Rushdie ”

The Honours course in English at Maharaja Agrasen College was introduced in 1997. The B. A (Hons.) English course aims to provide an exposure to a spectrum of global literatures and students are trained in various methods of literary analysis. The department has consistently provided opportunity to students for interacting with some of the most renowned scholars, critics, artists and thinkers. The Department of English has systems in place to ensure delivery of quality teaching, transparent mechanisms for internal assessment and structured preparation for University examination as well as orientation for future preparation for diverse fields and professions. The faculty of the Department of English regularly makes wide contribution to the corporate life of the College- extending thereby the reach of the students through involving them in College events at various levels.

The Department of English has a full calendar of activities aimed towards making students connect not just with the literary world but also to the larger world beyond their immediate and classroom ambit. The Department has its own departmental library as well as rich reserve of resource in its Centre for Performing Arts and Cultural Studies (CFPACS). The Department of English Co-curricular Student Society 'ACTIVE' lives up to its name each year by organising and participating in many well attended events under the guidance of the teachers. Student office-bearers of ACTIVE are appointed through a

democratic process. The Co-curricular events include The Annual Lecture Series, Literature Festival, Meet the Author Series, Workshops, Excursion to places of cultural interest like the Jaipur Literary Festival (last year it was the cultural/ecological site of Sattal nature camp and community excursion), Heritage Walk (to historic sites of the revolt of 1857 in Old Delhi this February), exhibitions, theatre and movie viewing (plays watched include *Areteia* by Aeschylus and *Mrichchakatika* by Sudraka at NSD; films screened include *12 Years a Slave*, *Twelfth Night* and *Silence! The Court is in Session* among others) and other such projects. The Department has been organising interdisciplinary conferences: International Conference De-territorialising Diversities: Cultures, Literatures and Languages of the Indigenous (February, 2013); National Conference City Lives: Spaces and Narratives (February, 2016); and National Conference Reading Migrations: Fractured Histories, Forged Narratives (March, 2017).

With the introduction of the CBCS curriculum, the department has successfully offered Generic Elective papers on ‘Text and Performance’, ‘Academic Writing’ and ‘Media and Communication Skills’ as well as ‘Creative Writing’ and ‘Technical Writing’ as Skill Enhancement Courses, eliciting very enthusiastic response from students of various streams. The students of the Department of English have also been proud winners at several inter-college and intra-college events. Several students of the department have been successful in procuring internships and jobs in prestigious organisations. The Department of English hopes to continue with its endeavours in the coming years and provide holistic training and support to its students to help them evolve and succeed.

The course curriculum is also very helpful for students preparing for competitive examinations.

This course is taught by teachers of various background (eg. Economics, Political Science , History , Hindi , English, Math ,Computer Science etc.) , This gives an opportunity to students to interact with faculty of different background. This is also an opportunity for students to acquaint themselves with wide range of issues and subjects to enrich their knowledge. No other course can offer such kind of opportunities to students.

“LAKSHYA” the society of B.A. programme students is a very vibrant and active society of college. It is a platform for

B.A. programme students to share and show their ideas and talent in various spheres of life. “LAKSHYA” the society under the aegis of B.A. programme committee holds many activities round the year. It organises debate, quiz competition documentary presentation etc. Besides this, students also have the opportunities to go for educational tours and excursions. B.A. programme is a very successful course. Students of this programme are very active at college and university level. In last academic session a student from this programme begged the” student of the year award” the most coveted award in the college for students.

DEPARTMENT OF COMMERCE

Dr. Rajat K. Sant
Teacher In Charge

“ If you dream it, you can do it. you will to be. Put forth your best and your have already won. With this thought, the Department of commerce welcomes you to the fascinating field of commerce and business. ”

B.Com (Hons.) has been the flagship programme of Delhi University. Here, what you study in the classroom is directly applicable to your work life and the workplace.

The commerce programme emphasizes on an interactive teacher-learner environment necessitated by the use of presentations, role plays, case studies, group discussions, educational excursions, film screenings, and the use of e-resources in teaching of subjects like business laws cyber laws, business economics, and e-filing of returns.

Besides pursuing higher studies in the domain of commerce itself, the B.Com (Hons) is a valuable preparation for a variety of career options in the entrepreneurship, marketing, green marketing, e-commerce, advertising, insurance, media, school and university teaching, business research, consultancy, law, civil services, and the list is in-exhaustive.

The commerce department is active in organizing talks, discussions, workshops, outstation trips, as well as their two day annual festival “CRUSADE” for holistic development of the students. Many of our students are also active in successfully managing their participation in theatre, classical music and dance, art and photography, and NSS along with their academic pressures. A team of young and enthusiastic professors await you to serve as your friend, philosopher, and guide.

DEPARTMENT OF MATHEMATICAL SCIENCE

Dr. Sushil Yadav
Teacher In Charge

“ Mathematics is an exciting field and the department welcomes all who wish to take on a Journey through numbers to pursue challenging and rewarding careers. ”

The Department of Mathematical Sciences seeks to enhance the student's knowledge of mathematical, quantitative and scientific principles that can be applied to various fields of applications to enable analytical decision making. The course aims to create a solid foundation for assimilation of mathematical concepts and structures and build mathematical skills like creative, logical and analytical thinking.

This well structured programme enhances students employability skills and also there ability to articulate these skills. The subject of mathematics is gaining greater importance in the complex and rapidly changing world today. Data Analytics experts, Actuaries, Statisticians, experts in computation skills are in great demand and it requires a solid foundation in mathematics. The study of this course shall be of immense help for pursuing a career in fields like economics, physics, engineering, management science, computer science, operational research, mathematics and several others. The department organizes various lectures to provide exposure to students about newer development in the subject. Workshops also conducted to enhance skills which are helpful in securing better avenues in the highly demanding job-market.

DEPARTMENT OF ELECTRONICS

“ Students, who are good at mathematics and physics with inventive and creative mind, can sure be able to shine in the field of electronics. ”

Dr. Natasha
Teacher In Charge

The electronics department, started in 1996, with a single laboratory has progressed at a very rapid pace in the spheres of infrastructural facilities and advanced syllabi. The prime aim of the department is to impart quality teaching learning and research facilities in the field of electronics to meet the increasing demand of highly skilled technical personnel in the electronics industry.

The department of electronics has been constantly engaged in nurturing a creative and collaborative learning environment. B.Sc (H) Electronics course is designed to enhance the students understanding of scientific principles and to further develop their technical skills by hands-on-designing and testing of electronic circuits and systems similar to that are used in industry.

In its endeavor to keep itself abreast with new knowledge and developments in the field, the department routinely organizes workshops and training programs for the students and faculty members.

The Department has received five innovation projects from University of Delhi during the last few years in which more than 50 students participated. Few students from other universities have done their internship in the departments' project lab.

The Tech-Titans society of Department of electronics organizes its departmental co-curricular and extra-curricular festival

Elektro-Zeal with an aim to ensure the all-round development of the students, especially development of organizational and managements skills, communications skills creative talents, social and interpersonal skills, etc. through programs like quiz, circuit simulation etc.

B.Sc. (H) Electronics Course:

The course curriculum is a perfect blend of papers in physics, mathematics and computer with special emphasis on electronics. Students are also trained in fundamental computational skills to use techniques and software for simulation, data analysis and visualization more efficiently with emphasis on integrated approach to electronics and computer science, taught using substantial laboratory experiments in areas such as analog, digital, signal and systems, communication, opto-electronics, microprocessor and micro-controller.

Electronics graduates and post graduates have a bright future ahead of them in various areas like Design, Development, Fabrication, Inspection, Quality control and Maintenance.

Activities during the academic year 2016-17:

With a mandate to ensure that the students get opportunities to discuss and deliberate, to explore and experience, record and recount to create a vibrant milieu, the department organized many activities in the academic session 2016-17. Orientation program 'Aagman' was organized to identify and analyse the existing skill sets and those required to attain specific earning outcomes of the B.Sc.(H) Electronics course. Throughout the year the faculty and the students were engaged in research based innovation projects. One day hands-on training workshop on "PCB Fabrication" was organized in association with Centre for Electronics Design and Technology, NSIT.

Tech-Titans society organized Electro-Zeal 2k17, the annual inter college festival of the department to facilitate all round development of the students. A "Startup Conclave" was organized where founders of different startups were invited to share their success stories with the students and provide an insight to the startup culture and entrepreneurship. The department tour to Dalhousie, Himachal Pradesh provided an enriching and refreshing experience to the students and faculty of the department.

The department of electronics hopes to continue with its endeavours in the coming years and provide holistic education and support to its students.

DEPARTMENT OF PHYSICAL SCIENCE

“ B.Sc Physical Science is versatile course. It is both fascinating and provides wider scope for analytical thinking, creativity, fundamental research and of course employment. ”

Dr. Nibedita Khuntia
Teacher In Charge

The course B.Sc. in Physical Science is much sought-after on account of its unique curriculum design, job oriented nature, and usefulness. The course is designed to suit to the requirements of students willing to pursue masters course in Physics, Mathematics, Computer Applications, Information Technology, Chemistry and other allied subjects. The curriculum has components of mainly Physics, Mathematics and Electronics. Students are given the option to choose one stream either from Computer Science or Chemistry. As per the choice made, the course will be named as B.Sc. Physical Science with Computer Science or B.Sc. Physical Science with Chemistry. Also, it has a minor component of Biological and Environmental Science as well. The college has huge infrastructure in terms of laboratory, Information Communication and Technology (ICT), Workshops, modern Classrooms and highly accomplished faculty members. the Department started a new lecture series called “Dr. APJ Abdul Kalam Popular Science Lecture Series” to apprise the students and teachers on recent developments in Science. The topic of the inaugural lecture was “Hundred Years of General Relativity: How it change the worldview” and was delivered by ShriBimanBasu, Scientist (Retd), CSIR and Ex-Editor, Science Reporter. The annual fest of the department ‘Scintilla’ was organized which provided a forum to students to engage in various activities aimed at their overall development.

The course is much in demand as it lays a strong foundation for higher studies in Physics, Electronics, Mathematics and either Computer Science or Chemistry. The concerned departments work together to lend guidance and skills that make the students more promising and employable. In the past, the students have secured good placements through the central placement process of the University. The course serves as a springboard for careers in the fields of Nanotechnology, Material Science, Electronic Science, Computer applications, Information Technology, Atomic and Nuclear Physics, Finance and Analytics etc. Several Institutions of excellence like Tata Institute of Fundamental Research, National Physical Laboratory, Indian Space Research Organization, Indian Metrological Department, IITs, NITs, IISERs offer promising opportunities. Also, students of B.Sc. Physical Science have been successful in U.P.S.C and S.S.C, Banking Services, Indian Air Force etc. Needless to say, the versatility of this course makes it one of the most popular courses among aspiring students.

ADVANCED DIPLOMA IN TV PROGRAMME AND NEWS PRODUCTION

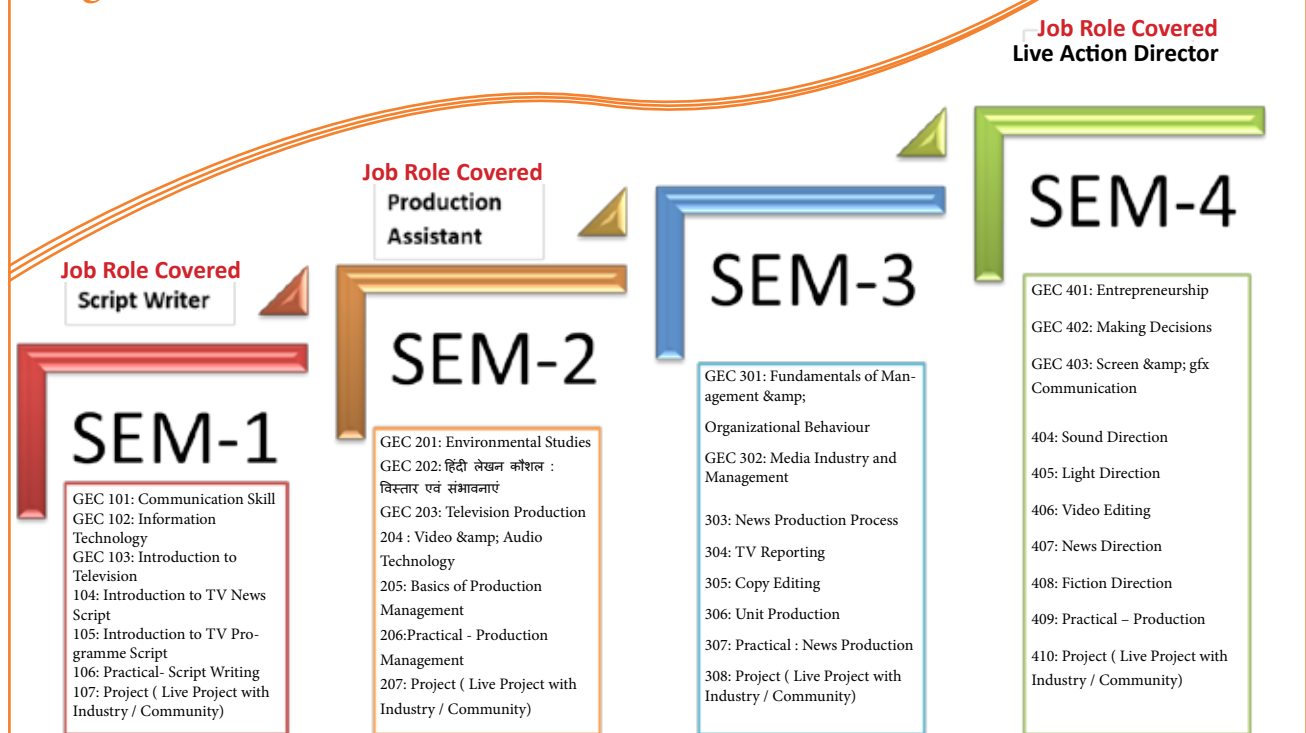

Mr. Sudhir K. Rinten
Nodal Officer

“ Media industry needs more ‘skilled’ workforce, NSQF qualified learners will be able to meet the challenges offered by contemporary media industry. ”

The curriculum of this course is designed to equip the students with an intellectual and inter-disciplinary approach that prepares them for the Industry. The learning process aims to strike a balance between the theoretical and practical approach to the field. Syllabus of the course will be in alignment with National Occupational Standard of the Sector Skills Council and NVEQF / NSQF. Syllabus has been developed in consultation with the industry professionals, academicians & media & entertainment sector skill council. In order to make education relevant and to create ‘industry fit’ skilled workforce, the college will be in constant dialogue with the industry, so that they remain updated on the requirements of the workforce in the industry.

The course offers credit-based modular programmes, wherein banking of credits is permitted so as to enable multiple exit and entry. This would enable the learner to seek employment after any level of certification and join back as and when feasible to upgrade her/his qualification/skill competency either to move higher in her/his job or in the higher educational system. This will also provide the learner an opportunity to move from vocational stream to general stream and vice-versa, subject to fulfilling the entry qualifications.
