The students were given 11:00 a.m. as the starting time, and were asked to reach the college gate- where the attendance is taken, fifteen minutes prior. However, the excitement level and the enthusiasm of students, made them arrive at the college gate beforehand. A few volunteers also reached early enough to keep a watch on the student's safety and ensure they do not run here and there. As the numbers started racking up, the colourful attires added to the beauty and the brightness of the occasion.

The total number of students present on the ground were 80, which was the highest for the whole academic year. The students were taken inside onto the ground in queues. They were made to sit in neat rows on the ground, after which the volunteers explained to them that why the Independence day is celebrated.
